

Kaishan manual small down-the-hole drill rig

Zhejiang Kaishan Heavy Industry, part of Kaishan Group, manufactures advanced drilling equipment for mining, military, and construction. We offer safe, efficient, and customized ...

The KG520/KG520H DTH drill rig for open use is an improved device in compliance with national regulations on environmental protection. Equipped with the Yuchai engine (China III), the drill ...

The KT7C high air-pressure down the hole drill rig for open use is an advanced drilling device integrating down the hole drilling system and screw air ...

KT25 open-pit down-the-hole drilling rig is a new type of drilling equipment carefully designed for the needs of large open-pit mines on the basis of years of development and production of ...

About Us If you are searching for high end drilling rig and air compressor, we promise that it is well worth checking our company. Headquartered in Zhengzhou City, Henan Province, ...

Categories: All Products, Kaishan Drilling Rigs, Rock Drilling Tools Description: The KT11 integrated surface DTH drilling rig utilizes a single Cummins three-cylinder diesel engine with ...

Kaishan KQD120 dth drill rig tackle hard rock & complex formations with ease. Reliable & efficient. Drill contractors" best friend!

The ZT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre-splitting holes. ...

The KG420/KG420H drill rig is a hydraulic, diesel powered, self-propelled down the hole rig, designed for open use drilling operations. Equipped with a Yuchai four-cylinder engine, the drill ...

“Kaishan” KT5C Integrated Surface DTH Drilling Rig is advanced drilling equipment integrating down-the-hole drilling system and screw air compressor system. With compact structure, it is ...

Kaishan KQD150B Down The Hole Drill Machine is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

KG610 Down The Hole Drill Rig KG610 folding frame track and four wheel drive are adopted; Add track leveling cylinders and the plunger piston tramming motor improves the working pressure ...

Kaishan manual small down-the-hole drill rig

Integrated DTH Drilling Rig Our KT series integrated drilling rig an advanced drilling machine that combines borehole drilling rig and screw air compressor. The dust removing device is also ...

Categories: All Products, Kaishan Drilling Rigs Description: The ZT5 integrated open-air DTH drilling rig is an advanced equipment featuring an automatic rod-changing system and ...

The KT11 integrated down the hole drill rig is driven by a high power Cummins China stage III diesel engine with a two-terminal output that can drive the ...

Add track leveling cylinders and the plunger piston tramming motor improves the working pressure and increase the rotary torque and revolving speed; and the lifting oil cylinder and ...

Are you wondering which kind of drilling rig and compressor are the best choices? Maybe you can find the answer in KAISHAN Group. We are the biggest air ...

Kaishan drilling rig is best for quarrying, surface mining, underground mining, construction, exploration drilling industry applications. Best Services!

The KT25 integrated down the hole drill rig for open use can drilling vertical,inclined and horizontal holes,mainly used for open-pit mine,stonework ...

The ZT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast ...

The KT11 integrated down the hole drill rig for open use can drilling vertical,inclined and horizontal holes.mainly used for open-pit mine,stonework ...

The KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine,stonework blast holes and pre-splitting holes. It ...

KS311 hydraulic drilling rig is used for blast hole and drilling anchor hole,it can operate in the section with 3.5-5m width and 3.5-5m height.the drill boom can be rotary 360°;it can drill in 3m ...

The KG420S/KG420SH down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. The drill rig is equipped with the two ...

The KG590/KG590H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder ...

Economical Kaishan ZT11 integrated down the hole drill rig for open use can drilling vertical, inclined and

Kaishan manual small down-the-hole drill rig

horizontal holes, mainly used for open-pit mine, stonework blast holes and pre ...

KG420S Down The Hole Drill Rig KG420S folding frame track and four wheel drive are adopted; Add track leveling cylinders and the plunger piston tramming motor improves the working ...
