

Korea Kaishan Down-the-Hole Drilling Rig

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework ...

A high air pressure screw rod with our intellectual property is mounted on the machine. KT5C Integrated Down the hole Drill Rig for Open Use The KT5C ...

KSQ31-KQG-115 DTH Mining Drilling Rig is a new, efficient and professional down hole drilling rig developed by our company on the basis many years" ...

The ZT10 integrated down the hole drill rig for open use is a new drilling device developed by Kaishan Group after years of development and production of ...

The KG520/KG520H down the hole drill rig is designed for large and medium-sized quarries and contractors. The drill rig features a folding frame track and four wheel drive. The track leveling ...

Kaishan KG430 25m blasting ground hole Quarry Rock DTH Mining Borehole Drill Rig With Dust Collection KG430/KG430H open-pit down-the-hole drilling rig ...

Automatic anti-jamming function improves the adaptability to complex rock formations, maximizing prevention of jamming accidents. Our down-the-hole ...

The KT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes. mainly used for open-pit mine, stonework ...

The open-pit down-the-hole drill rig integrates a down-the-hole drilling system and a screw-type air compression system into a single unit. It is capable of drilling vertical, inclined, and ...

KAISHAN provides a full range of drilling rigs designed for different applications in the mining, tunneling, and other infrastructure industries. Our product line ...

Kaishan is also a professional manufacturer of rock drills, DTH drilling rig, water well drilling rig. We also provide mucking loader, haggloader, air picks, auxiliary products for the drilling rig, ...

Kaishan dth drilling rigs is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

Korea Kaishan Down-the-Hole Drilling Rig

The KT20 integrated down the hole drill rig for open use is a new drilling device developed by our company after years of development and production of down the hole drill rig to meet the ...

The KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine,stonework blast ...

kaishan dth drilling rigs are designed for high-capacity rock drilling in quarries, opencast mines & rock excavation. Call us for a FREE quote now!

KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open pit mine, stonework blast holes and pre-splitting holes.

The KG520/KG520H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions.

The KG410 down-the-hole drill rig for open-pit operations is an enhanced model compliant with national diesel emission regulations. Equipped with a Yuchai 4-cylinder China III engine, it ...

Categories: All Products, Kaishan Drilling Rigs Description: The ZT5 integrated open-air DTH drilling rig is an advanced equipment featuring an automatic rod-changing system and ...

KT25 open-pit down-the-hole drilling rig is a new type of drilling equipment carefully designed for the needs of large open-pit mines on the basis of years ...

The KG610H down-the-hole drill rig for open use is equipped with a dust collector, thus making the operation environment-friendly and reliable.

Our KT15 integrated surface DTH drilling rig is designed by drawing inspiration from previous models. It can satisfy most needs of operators by providing a ...

KT7D integrates down-the-hole drilling system and screw air compressor system. It is a state-of-the-art drilling equipment capable of drilling vertical, inclined and ...

The KG430/KG430H down the hole (DTH) drill rig is engineered for high efficiency open pit mining and stone quarrying use. The track drill features tramming and ...

Surface Drill Rigs Surface Down-the-Hole Drill Rigs Rotary Blasthole Drilling Rig, KG310/KG310H Hole diameter: 780-105mm Hole depth: 20m Feed extension ...

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes,

Korea Kaishan Down-the-Hole Drilling Rig

mainly used for open-pit mine, stonework blast ...

Kaishan drilling rig is best for quarrying, surface mining, underground mining, construction, exploration drilling industry applications. Best Services!

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw ...

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre-splitting holes.

KG920 Down The Hole Drill Rig KG920 expanded pitch and lifting arm hydraulic cylinder enable it to meet the requirements of limiting position use. Meanwhile, the hydraulic system is ...
