

Korea portable core drilling rig rental

Why should you rent a Kores drilling rig?

Save costs on smaller projects by renting Kores drilling machines. Kores offers fully hydrostatic drilling rigs for exploration on rent specific to your capacity and applications. With the rental solution, clients save not only on equipment costs but also on training.

What is a core drill rig?

A core drill rig is a specialized piece of equipment for core sampling. They allow professional drillers to extract a piece of the ground by drilling cylindrical holes in the surface, simplifying the drilling process and eliminating the need for purchasing specialty equipment.

Where can I rent a drill rig?

Currently, our available stock of drill rig rental equipment includes: Mobile Drill Intl, GTechDrill, VersaDrill Canada, Diedrich Drill, and more as well as various support equipment. Rig Source is experienced with shipping rental drill rig and rental crawler carrier units throughout the US and Canada, and has competitive weekly or monthly rates.

Which coring rigs are available for rent?

At Rig Source, we have a variety of coring rigs for rent from top-of-the-line brands including Geoprobe, Versatran, and GTech. These rigs are primarily used for mineral extraction, and our exploration drilling rigs help discover valuable resources below the Earth's surface.

What is a portable exploration core drill system?

This portable exploration core drill system excels in remote area drilling, where traditional rigs cannot operate due to terrain limitations or space constraints. Compact and efficient, it offers an ideal solution for core sample collection in both rugged outdoor and urban settings.

What is a backpack core drill rig?

The Backpack Core Drill Rig is a lightweight diamond core drill designed for professional field use in geological, environmental, and engineering applications. This portable exploration core drill system excels in remote area drilling, where traditional rigs cannot operate due to terrain limitations or space constraints.
