

Large diameter drilling rig

Configuring your horizontal directional drill for large-diameter work Horizontal directional drills (HDDs) come in a wide range of sizes to accommodate the various diameters ...

A cutting-edge multifunctional hydraulic piling rig designed for foundation construction. Engineered for superior performance, efficiency, and reliability, it ...

To do this, large construction projects use foundation drilling rigs to create drilled shafts. Also known as drilled piers, caissons or bored piles, drilled shafts are ...

Hydracrat has successfully completed a significant number of large diameter boreholes and deep drilling for the water and energy markets over several decades. Our specialist fleet of drilling ...

DTH hammers are powerful percussive drilling tools that use compressed air to drive a piston, delivering direct impact energy to the DTH bit for efficient rock breaking. When paired with ...

Delmag Drilling Rigs The Delmag drilling rigs have a reputation for being robust, high powered, productive hydraulic rigs featuring heavy duty carriers. They have impressive torque and ...

Extremely efficient operations Continuous core in all formations Large diameter casing installation Modern drill rigs with powerful sonic heads Truck and track mounted rigs Mud Rotary ...

It is specifically designed to drill large diameter shafts up to 12 feet as well as get over casing. Standard drill rig is mounted on a crawler type undercarriage.

Heavy duty Developed as the heavy duty version of the MC 28, the MC 28 HD is a very compact and powerful drill rig. It is the ultimate solution to take heavy ...

Large Diameter Vertical Raise Drilling and Shaft Boring Techniques as an alternative to Conventional Shaft Sinking Techniques M Oosthuizen Murray & Roberts RUC Raiseboring in ...

Subsea foundations installer Large Diameter Drilling (LDD) and subsea services firm Acteon Group have completed drilling operations using a ...

The Bauer Equipment BG40 is a 54-ton track mounted vertical drill rig used primarily for large diameter drilled shafts, deep soil mixing, cased secant piles, stone columns or applications ...

Specialist rigs, large-diameter drill bits, reinforced casing systems, contract crane lifts and high-powered mud

Large diameter drilling rig

circulation pumps are often necessary to support drilling operations.

Large drilling diameter bits up to 8.5 m (27 ft. 11 in.) Rock bits with stinger Drill bits with integrated underreamer Pneumatic underreamer Hydraulic underreamer with rotor and separate power ...

Large Diameter Reverse Circulation Dual Tube Drill Rod Matrix's dual tube drill rods feature a wide range of standard and custom sizes making our product adaptable to nearly any rig or ...

Our pile top drill rigs (PBA) provide the most efficient solution for foundation drilling in mixed ground, boulders and hard rock. Six different machine models ...

OVER 35 YEARS EXPERIENCE IN OVERWATER DRILLING Our fleet of pile top drill rigs We own and operate the largest known fleet of specialist pile top rigs within the market. All are fully ...

A complete range of accessories for large diameter drill rigs, including kelly bars, CFA augers, drilling equipment and tools, designed to support the full spectrum of large diameter drilling ...

Choosing the right directional drill is critical to helping your team maximize performance on large-diameter, long-distance bores. Here's what to ...

HMH Wirth Pile Top Drilling (PBA) - Large Diameter Drilling Units provide the most efficient solution for foundation drilling in mixed ground, boulders and hard rock. Various models cover ...

Large Diameter Reverse Circulation Dual Tube Drill Rod Matrix's dual tube drill rods feature a wide range of standard and custom sizes making our product ...

A powerful drilling rig designed for large diameter rotary and CFA piling with a high-torque rotary head and a smart power management system. Built for ...

Powerful Core Drilling Efficiency: Equipped with a 3500W motor, this core drill machine handles hole sizes from 70.8-11.8 in / 20-300 mm ...
