

Largest land drilling rig pricelist

How much does a drilling rig cost?

Looking at the total cost of a drilling operation means more than just the rig's price. Fuel costs for big rigs can add up quickly, as they run non-stop. For example, drilling a horizontal well can cost over \$4 million and take about three weeks. Another big expense is labor. The job needs skilled people, with 40-50 companies often involved.

How much does a drilling rig cost in 2025?

Here's a table comparing the costs to buy new, buy used and rent a drilling rig in 2025: The cost of buying a new drilling rig ranges from \$3-4 million for basic land rigs to over \$1 billion for advanced offshore rigs.

How much does a rotary rig cost?

Rotary rigs are common in many fields. Automated drill rigs (ADRs) cost about \$25 million and are key in oil sands. Knowing these types helps estimate costs for specific projects. The cost of a drilling rig depends on several factors. The size of the rig is a big factor, as bigger rigs need more materials and cost more to make.

How much does it cost to build an offshore oil rig?

Building an offshore oil rig typically costs between \$500 million and \$1 billion. The price varies based on the type of rig, water depth, and the complexity of its design and equipment. Deepwater rigs, which need more advanced technology, are at the higher end of this range. How much does it cost to build a drillship?

How much does offshore drilling cost?

Onshore drilling costs between \$200,000 and \$310,000 per day. This price covers basic rig work but doesn't include extra services. Labor costs are a big part of this expense. Offshore drilling is pricier, costing \$600,000 to \$800,000 daily.

How much does a land rig cost in China?

The land rig detailed above is widely used in China and can drill up to 7,000 meters (23,000 feet). The major components are from well-known Chinese brands, leading to price variations of up to \$5,000,000 depending on the brand. Currently, many rigs are adopting top drive systems and intelligent drilling technology.
