What is a portable rotary screw air compressor?

Portable rotary screw air compressors are essential tools designed to deliver high volume and continuous air supply for challenging job site conditions. These robust compressors are tailored specifically for the construction industry, ensuring that you have the reliability and efficiency needed for demanding applications.

What psi does a portable air compressor produce?

Most portable air compressors produce between 125 and 150 psi. Most air tools DIYers use--including tire inflators, impact wrenches, and nail guns--operate at 90 psi, which is well below the max psi of most portable air compressors.

How much does a tank air compressor weigh?

The TANK(TM) 8-Gal Trolley Air Compressor (EC1315S) has a top of its class PSI and weighs only 93 lbs. This compressor packs high pressure into an easily portable package. It is engineered with the power to run a framing, roofing, or siding crew, and is versatile enough to run a team of finish nailers simultaneously.

How are Airman compressors protected?

AIRMAN compressors are constantly monitored and protected against high discharged air, high-coolant temperature, low engine oil pressure and other functions are also monitored. Fan belt covers and an over-pressure relief valve are provided to offer additional operator protection.

What is a cordless portable air compressor?

Cordless portable air compressors, such as the Milwaukee M18, use a rechargeable, 18-volt, lithium-ion battery and provide ultimate portability since they don't require an outlet to operate. This is a huge advantage if you're working outdoors and don't want to deal with a long extension cord or if there's no power outlet nearby.

Does Lowe's have an air compressor?

An air compressor is essential for powering your air tools, including sanders, ratchet wrenches, grinders and more. Lowe's features a wide variety of gas-powered and electric air compressors, including models designed for quiet operation or portability, as well as small air compressors designed for everyday jobs.
