

LS400 drill rig

The LS400T+ is built for those who need a portable powerhouse to drill in the most demanding environments. The drill's heavy-duty construction and reinforcements support 9,000 pounds of...

Watch LS400T+ Water Well Drill Overview - Video | Environmental XPRT. The LS400T+ is built for those who need a portable powerhouse to drill in the most demanding environments. The ...

The LST1 water well drill offers the perfect combination of performance and portability and drills a 6-inch borehole up to 300 feet in a variety of soils.

The LS200 Water Well Drill is capable of drilling a 6-inch borehole to 200 feet in sand and clay and is easy to operate, tear down and transport for maximum ...

Lost Soldier Drilling Rig 88 gives operators the ability to drill wells with efficient, high power, deep-rated equipment. Being 7500psi rated throughout allows the use of rotary steerable technology ...

Sonic rig for a wide variety of soft ground, shallow drilling projects including environmental, tunneling, water management, grade control, and leach pads.

Earth Drilling's TerraSonic Mini Rig can drill to depths greater than 244 m @ 150 mm hole diameter and is mounted on 300mm wide tracks providing for low ground pressure (0.46 ...

Lone Star Drills are proud to provide a viable, economical solution to water well drilling. Commonly used by missionaries for water projects in developing ...

With 15,000 pounds of pull-back force and a push-down force of 9,000 pounds, the LS400T+ is a sturdy, powerful and robust drill that can dig to depths of 400 ...

Preferred Pump's Used Rig Marketplace is a great place to list your used water well equipment, drilling rigs, and pump hoists for sale.

At a weight of 3,493 kg, the drill requires less anchoring than lighter trailer-mounted rigs. It also accommodates a 3-metre drill pipe, which ...

Universal HDD UNI 250x400 is a long-range horizontal directional drill. Featuring 25000 lbs push/pull, 40000 ft-lb torque, 400 hp turbo diesel engine, and 315 ...

With innovative designs and patented technologies, the LS(TM)600; drills deeper, produces more accurate

Ls400 drill rig

samples and serves more markets than any other sonic rig. The LS600 features a ...

The powerful water well and geothermal drill is Lone Star's largest rig and efficiently drills as deep as 400 feet through hard rock and volcanic formations. ...

With the economical LS400T+, you can save yourself a bundle in the long-term. Perfect for all your water well drilling needs, it makes an astute investment. ...

Efficiency plays a strong role, too. The LOC can utilise the Huisman Enhanced Casing Installation (ECI) system. This level 3 casing while drilling device installs the casing while drilling, ...

The LS300H+ Water Well Drill has the power to satisfy the most demanding drilling applications. Featuring substantial horsepower and a high capacity, load-bearing swivel, the LS300H+ ...

The LS100 is the original small, DIY water well drill rig. It's economically priced and designed specifically for water well drilling in developing nations.

The LS450 features the power and precision of the large-format series rigs, and it brings our innovative head technology to an industry-proven compact, track ...

The LS 400 T plus, the largest and most powerful rig in our line of portable water well drills. Reliable drilling virtually anywhere. The tandem axle trailer makes transportation effortless. The 400 T plus is built to ...

LS 450 Boart Longyear Sonic Drill The LS450 is a compact rig perfect for various environmental, geotechnical, water, and mining projects. This rig features the power and precision of the large ...

The new LSTM450 drill is a compact rig perfect for a wide variety of projects in environmental, geotechnical, water, and mining. Featuring the power and precision of the large-format series ...

The powerful water well and geothermal drill is Lone Star's largest rig and efficiently drills as deep as 400 ft. (122 m) through hard rock and ...

In some regions, accessing water is no easy feat, as the resource is so scarce it needs to be located underground. Luckily, the LS400T+ water well drill is capable of coming to ...

The LS400T+ is the largest in the Lone Star line, boasting a 400-foot drilling depth. The drill's hydraulic system features pull-back force of up to 15,000 ...

We specialise in various types of drilling services using our wide range of drill rigs and service vehicles. We currently have 5 drill rigs and our rigs have top ...

Ls400 drill rig

As the most dynamic and powerful rigs Lone Star has to offer, the trailer-mounted hydraulic drills maximize drilling efficiency. Hydraulic power boosts performance and accelerates productivity, ...

The LS400T+ Water Well Drill is the largest in the Lone Star line, boasting a 400-foot drilling depth. The drill's hydraulic system features pull-back force of up to 15,000-pounds and push ...

LS200H Hydraulic Water Well Drilling Rig The LS200H is excellent for drilling applications that require the added power and durability of a hydraulic system. ...

Power Technique products Find full details of the product you are looking for by drilling down through the images below, or click on the magnifying glass above to search for the type of ...

Sonic Drilling Rig with 4254 Engine hours Single sonic drill head hours 3000 hours Installed Power 119 kW / 160 hp Working pressure 5000 psi Feed push ...
