

Mc 22 drill rig

What is a MC 22 drilling rig?

Conceived in 1997, the MC 22 was the first drilling rig equipped with the innovative Comacchio mast articulation system. The variety of movements and inclinations due to this system allows for the use of the MC 22 for various kinds of ground engineering works (micropiles, anchors, jet grouting and consolidations in general) even in confined spaces.

What is a 2024 MC22 drilling rig?

2024 MC22 - The MC 22 is the iconic rig of the Comacchio fleet. Conceived in 1997, the MC 22 was the first drilling rig equipped with the innovative Comacchio mast articulation system. The variety of movements and... Good condition Comacchio MC22A Drilling Rigs manufactured in 2024. Located in Canada and other countries.

What is a Comacchio MC 22 rig?

Variety of movements The MC 22 is the iconic rig of the Comacchio fleet. Conceived in 1997, the MC 22 was the first drilling rig equipped with the innovative Comacchio mast articulation system.

What is a MC 22?

The MC 22 provides a variety of movements and inclinations, like its smaller counterparts with the power for more demanding and longer stroke applications. The MC 22 excels in ground engineering works (micropiles, anchors, jet grouting and consolidations in general) even in confined spaces. The MC22 can be set up by NPPI with a selection of heads.

Can nppi set up the MC22?

The MC22 can be set up by NPPI with a selection of heads. It is suitable for any type of rotary and rotary-percussive drilling and can be equipped with hydraulic proportional servo-assisted controls or radio control for tramming, drilling, machine set-up and carousel functions.

MC 22A - The new MC 22 drill rig version featuring the innovative hydraulic rod & casing carousel. The machine is completely remote controlled, thanks to the unique Comacchio radio ...

The Comacchio MC-28D is a versatile drilling rig designed for micropiles and anchors construction, boasting a reinforced undercarriage and adaptable mast ...

VERSATILITY & POWER The MC 22 is a high-performance versatile drilling rig that can be used on many types of construction drilling applications: micro-pile, soil nailing, anchors, jet ...

The MC 22 is the iconic rig of the Comacchio fleet. Conceived in 1997, the MC 22 was the first drilling rig equipped with the innovative Comacchio mast ...

Mc 22 drill rig

Used Comacchio drilling rigs for sale in USA. MC, CHF500, MC-E, CH300, MC20, CH650, and MC4D. Find drill rigs, oil and gas equipment on Machinio.

Rental Comacchio MC 22 drilling rig with hydraulic drifter Ideale per l'infissione di barre di grosso diametro grazie alla potenza della perforatrice esterna, Testina di adduzione esterna

The new SM-22 can be easily configured in different single rotary fittings, double rotary, top-hammer and vibro-rotary to carry out consolidation, micropiles and anchors with different ...

Discover the Comacchio MC 22 drilling machine: advanced technology for port work thanks to its versatility, efficiency and sustainability.

Hammer & Steel, Inc. sells and rents Comacchio drilling and pile driving rigs in the U.S., and has brochures available for the MC and CH lines.

Hammer & Steel, Inc. sells and rents Comacchio MC 22 drilling rigs for specialized work including ground consolidation, anchor drilling, water well drilling and geothermal energy.

The MC 12 is a versatile and powerful hydraulic drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting and ground ...

The MC 22A is the new MC 22 drill rig version featuring the innovative hydraulic rod & casing carousel. The machine is completely remote controlled, thanks to the unique Comacchio radio ...

The MC 22 is the iconic rig of the Comacchio fleet. Conceived in 1997, the MC 22 was the first drilling rig equipped with the innovative Comacchio mast articulation system. The variety of ...

Heavy duty Developed as the heavy duty version of the MC 28, the MC 28 HD is a very compact and powerful drill rig. It is the ultimate solution to take heavy ...

MC 30 The MC 30 is a high performance hydraulic drilling rig designed for civil engineering works such as micropiles, CFA piles, jet grouting and consolidations in general. The rig's robust base ...

The document discusses the Comacchio MC 1200 drilling rig. It states that the MC Line from Comacchio includes drilling rigs with hydraulic power packs onboard or separate, capable of a ...

Heavy duty Born as the heavy duty version of the MC 22, the MC 28 is the optimal solution to take on particularly heavy works even when space is ...

The MC 8 is an extremely versatile and powerful small/medium size hydraulic drilling rig, designed for civil

Mc 22 drill rig

engineering works such as micropiles, anchors, ...

For such a task, Case Pacific, a well-established West Coast foundation contractor, recently purchased two drill rigs, a Comacchio MC 20 (F04.1) and an MC 22 with revolver, and rented ...

MC 22 The MC 22 is the iconic rig of the Comacchio fleet. Conceived in 1997, the MC 22 was the first drilling rig equipped with the innovative Comacchio mast ...

The hallmark of our drilling rigs is the great variety of mast positions and inclinations that they are capable to perform thanks to the Comacchio patented articulation system.
