

Mc15 drill rig

The MC 12 is a versatile and powerful hydraulic drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting and ground ...

The MC 15 is a compact high-performance drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting and consolidations in general.

Heavy duty Developed as the heavy duty version of the MC 28, the MC 28 HD is a very compact and powerful drill rig. It is the ultimate solution to take heavy ...

Comacchio's MC 14 hydraulic drilling rig is designed for micropiles, anchors and general ground improvements. The rig's mast articulation, position, inclinations, ability, and compact size ...

The MC 9 LR is a versatile and powerful hydraulic drilling rig designed for foundation and ground improvement applications with the use of all rotary ...

Jet grouting The MC 30 is a high performance hydraulic drilling rig designed for civil engineering works such as micropiles, CFA piles, jet grouting and ...

Comacchio MC15 drilling rig with hydraulic drifter Ideal for driving large diameter bars thanks to the power of the external drilling machine, ...

Comacchio Drill Rigs & Drilling Tools Hammer & Steel, Inc., sells and rents the Comacchio CH, MC, and MC-E Lines of drill rigs and drilling tools.

Advanced modular hydraulic circuits The MC 8 is an extremely versatile and powerful small/medium size hydraulic drilling rig, designed for civil engineering ...

The rapid spread of ground source heating systems over the past years has led to an increased use of Comacchio rigs for geothermal drilling applications utilizing dual head drilling systems. ...

The hallmark of our drilling rigs is the great variety of mast positions and inclinations that they are capable to perform thanks to the Comacchio patented articulation system. This unique ...

The MC 8D is a versatile and powerful hydraulic drilling rig, designed for civil engineering works such as micropiles, anchors and ground improvement in ...

The main feature of the so-called "long reach" drill rigs is the advanced mast articulation system, allowing for

Mc15 drill rig

quick and precise positioning on the borehole on a large work area, with absolute ...

Comacchio MC15 Drilling Rig used Manufacturer: Comacchio Model: MC15 Hours: 5,300 hours available
Good condition Comacchio MC15 Drilling Rigs available between 2014 and 2015 ...

The Comacchio MC-28D is a versatile drilling rig designed for micropiles and anchors construction, boasting a reinforced undercarriage and adaptable mast ...

Hammer & Steel sells and rents Comacchio MC 28 HD drilling rigs for specialized work including ground consolidation, anchor drilling, water well drilling and ...

A major feature of the MC 15 P is the variety of mast positions and inclinations that it can perform: thanks to the compact size and patented mast articulation system, this drill rig can be used in ...

The MC 15 is a compact high-performance drilling rig designed for civil engineering works such as micropiles, anchors, jet grouting and consolidations in general. A distinctive feature of the MC ...

The COMACCHIO MC 15 drilling machine is equipped with radio remote control, side joint, modular stroke, rod magazine and protection cage. The maximum rotation torque is 20 kNm ...

Traxxon is a leading supplier of foundation equipment from Comacchio, ABI, and Delmag in Canada, offering drilling rigs and attachments for piling, anchors, ...

The MC 9 LR is a versatile and powerful hydraulic drilling rig designed for foundation and ground improvement applications with the use of all rotary and/or rotary-percussion drilling systems. ...

The new MC 15P GT is a dedicated machine for the shallow geothermal sector. The rig features an articulation system developed starting from micropiling ...

Hammer & Steel, Inc. sells and rents Comacchio MC 22 drilling rigs for specialized work including ground consolidation, anchor drilling, water well ...

MC 15 P Basata sul concetto della MC 15, la MC 15 P offre prestazioni più elevate grazie alla motorizzazione di classe superiore in grado di erogare fino a 168 kW (225 HP) di potenza. La ...
