They offer a range of air compressors suitable for different applications and requirements. Address: Blvd. Centro Industrial #11. Col. Industrial , 54070 Mexico, Mexico Phone: +525541708758

What is a twin screw compressor?

Twin screw compressors are popular thanks to their quiet operation and ability to deliver a continuous supply of a compressed medium. Compared to reciprocating piston units, twin screw compressors are more reliable and energy efficient, making them less expensive to operate.

Are twin screw compressors better than reciprocating piston units?

Compared to reciprocating piston units, twin screw compressors are more reliable and energy efficient, making them less expensive to operate. Whether moving air, gas, or refrigerants, SKF has a range of solutions to equip and improve twin screw compressors. We can help optimize twin screw compressor performance to cut operating costs even further.

Who is Sauer compressors Mexico SA de CV?

Today, it focuses on the development, production and sale of medium and high pressure compressors for applications in commercial shipping, industry, the oil industry and the defense sector. Sauer Compressors Mexico SA de CV is the subsidiary in charge of satisfying the needs of the Mexican and Caribbean markets. 4. CBS COMPRESORES
