

## Mobile drilling rig manufacturers

What is a mobile drilling rig?

Drillmec's mobile drilling rigs are self-propelled, and trailer mounted for easy transportation for a variety of workover well services. We manufacture a full range of workover rigs with capacities between 60 to 250 metric tons for a variety of well service applications.

Where are our mobile rigs now?

Our mobile rigs are now in the USA and around the world. We have the best skilled laborers and management with over 50 years in the oilfield equipment industry. We offer a wide selection of well service, work over, and drilling rigs with options to accommodate the industry's many varied needs.

Who is Mobile Drill International?

Mobile Drill International has been a trusted name in the drilling industry for over seven decades. We specialize in manufacturing and refurbishing high-performance drill rigs and tooling for geotechnical, environmental, water well, and mineral exploration applications. Our commitment to quality, innovation, and customer success sets us apart.

What types of drilling rigs do we support?

We design, build, and support the widest range of self-propelled and trailer-mounted well servicing, workover, and mobile drilling rigs in the world. We offer OEM support of Cabot(TM), Cardwell(TM), Cooper(TM), Franks(TM), Ideco(TM), Kremco(TM), National(TM), Skytop Brewster(TM), RMI(TM), and Wilson(TM) with certified service, repair, and replacement parts.

Which drill rig is best for geotechnical & environmental work?

Check out the B-57 Brochure here: [Mobile B57 Brochure](#). The Mobile Drill B-46 is another standout drill rig - a true multi-purpose drill for geotechnical and environmental work. The B-46 is available in truck or track-mounted and it precisely meets the specific needs of the industry.

Why should you choose a mobile drilling machine?

The Mobile machines do this through their vast selection of drills including geotechnical, environmental, geothermal, seismic, water well drilling, and core drilling rigs. By providing customized equipment for different locations and drilling operations, every customer has access to high-performance, reliable drilling solutions.
