

Mobile fully pneumatic down-the-hole drill rig

Electricity power Portable Pneumatic DTH Drilling Rig for Quarry Mining Construction Drilling DM100B Characteristics 1. Compact structure, easy operation 2. Fast drilling, high ...

GLSZ100 Fully pneumatic Down The Hole Drill Rig can drill vertical, inclined and horizontal holes, used for drilling and pre-splitting holes in open pit mines and stone works, etc.

1. Using its single power to drive the screw air compressor and drilling rig hydraulic system at the same time, compared with the separated DTH drilling ...

Request A Quote Portable DTH Drilling Rig: According to the walking mode, it can be divided into small-legged down-the-hole drilling rig machines: SKD70-100 ...

Surface drill rigs are used for blast hole drilling in construction, quarrying, and open-pit mining, covering a hole range between 27-229 mm. We offer the widest range of surface drilling ...

Leading Manufacturer of Down-the-Hole (DTH) Drilling Equipment for Mining, Construction & Water Wells. Premium products at fair prices. Get a Quote Today!

This air compressor is a KCY550-15 diesel mobile portable screw air compressor that we have developed and produced according to Kaisan Group's KSCY series Quality remains ...

DTH drilling rig, short for Down-The-Hole drilling rig, is a cornerstone of modern drilling technology. Renowned for its efficiency, precision, and versatility, this equipment has ...

Epiroc is one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include auger and down-the-hole rigs. ...

Discover a lightweight, portable DTH drilling machine powered by pneumatic force--ideal for remote sites and rugged conditions.

Explore the most comprehensive line of surface rotary and DTH blast hole drilling rigs in the industry, with a multitude of configurations to choose from and ...

Mobile fully pneumatic down-the-hole drill rig

SWD series down-the-hole drills are widely used in blasthole drilling applications for surface mining, construction and quarries. Hole diameters range from 138mm to 255mm ...

MR-2 PN from Western Equipment Solutions is a portable pneumatic drilling rig designed for steep & uneven terrain, offering versatile options for down-the ...

The CSD1300 is a high-performance, hydraulic-powered pneumatic drilling machine engineered for extreme depths, rugged formations, and maximum ...

DTH drill tool operated with drilling mud (Drillstar MUDHammer) A down-the-hole drill, usually called DTH by most professionals, is basically a jackhammer screwed on the bottom of a drill ...

DTH drilling, also known as Down-the-Hole drilling, is a method used to drill boreholes into the earth's surface. This technique involves a hammer that is ...

Center Rock offers the most complete line of dth hammers, drills, and bits which are designed for peak performance in all rock drilling applications.

A down-the-hole drill, usually called DTH Drilling Rig, is basically a mini jackhammer screwed on the bottom of a drill string. The speedy hammer ...

The Drawworks is one of the most important components of the drilling rig (types of drilling rigs). The unit supplies the hoisting power, the ...

The pneumatic crawler drill rig is a multifunctional high-efficiency drilling rig, which integrates the functions of rhinestone and air drilling. It has the characteristics ...

Simple and sturdy AirROC T25 and AirROC D40 are the ideal "Compact Solution" drill rigs. High operational efficiency from the rig is achievable with its easy handling and interchangeable ...

The down-the-hole drilling rig is an impact rotary drilling rig. Its internal structure is different from that of a general rock drill. Its gas distribution and piston reciprocating mechanisms are ...

Mobile fully pneumatic down-the-hole drill rig
