

# Multi-angle hydraulic down-the-hole drill rig

Kaishan Jumbo Tunneling KJ311 Hydraulic Underground Mining Drill Rigs KJ311 is a hydraulic drifting jumbo designed for 12-35 m<sup>2</sup> cross section in ...

The crawler-mounted drilling rig is particularly designed for drilling big holes, such as blastholes and photovoltaic holes. Equipped with an enhanced gearbox ...

Video outgoing-inspection Provided Mobility crawler-type product name Multi functional down the hole drilling rig Engine 42kw Power head torque 8100N.m Adapt to rock hardness 6-20F ...

The KT9D integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor system, It is capable of drilling ...

The drill machine adopts new hydraulic technology, supporting high torque hydraulic motor rotation and big bore drill hydraulic propulsion, branded multi-cylinder engine-powered two ...

Product Description The KT9D integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor system, ...

Ranging in size from small, limited access drilling rigs to large platform/big performance sonic drilling rigs, our drill rigs cover a range of applications.

It has the characteristics of low gas consumption, large rotary torque, convenient hole shifting and displacement, and the slide compensation function ensures drilling stability.

Drilling method: Separated Down-the-hole Hole diameter: 90-178mm DTH-hammer: 3.5, 4 and 5 inches Engine brand: YuChai SWDQseries crawler ...

Mining Machinery Supplier, Drill Rig, Hydraulic Anchor Drill Rig Manufacturers/ Suppliers - Zhejiang Koonsa Heavy Industry Machinery Co., Ltd.

DFW3000 Multifunctional DTH geotechnical mobile Drill Rig 1)Down-the-hole drilling rig 2)multi-angle,crawler-type 3)Drill Pipe:100 mm to300mm 4)Depth:60m to 200m 5)Cummins Diesel ...

Better drilling capabilities, higher quality holes Base on mature technology, ZEGA is constantly improving the drill rig production capabilities and work adaptability. D440 with near perfection ...

## Multi-angle hydraulic down-the-hole drill rig

GL120YG-A High Air Pressure Drill Rig is a versatile mining equipment suitable for surface mining, stone works, and construction projects. With multi-angle drilling capability and energy ...

Hydraulic Top Hammer Drilling Rig KL510 top hammer drilling rig is equipped with standard drill rod of 45/38mm diameter to drill vertical, inclined and horizontal blast holes of 64-115 mm. ...

Pdkj729s Fully Hydraulic Multi-Function Crawler Split Type Anchor Drilling Rig, Find Details and Price about Down The Hole Drill Rig Hydraulic Drill Rig from Pdkj729s Fully ...

Crawler driving, rotary and feeding of drilling tools, rig lifting compensation, and rig leveling are all hydraulically driven. Impact rock drilling and flushing blast ...

The SWDE series is surface down-the-hole drilling rigs which have a drilling diameter of 90-230mm and a max drilling depth of 36m. Meeting the drilling ...

The most productive drill available for rotary tricone and down the hole drilling of 171mm to 270mm (6-3/4" to 10-5/8 ") holes with up to 59 ft (18 m) clean hole ...

GY-60 (GY-80) crawler drilling rig can be used for impact rotary drilling in rock layers and high-speed hole formation with conventional ball tooth bits; it can be used for drilling holes with ...

The PRD Multistar is a versatile drilling rig adept at DTH, reverse circulation and core drilling with a 1200-meter capacity and adjustable drilling angles from 45 to 90 degrees. Powered by a 360 ...

YGL-300RC is mounted on a crawler chassis, driven by full hydraulic system, power head type drilling rig, which is used to drill vertical or inclined hole, and also the drilling techniques way of ...

Core Drilling Rig YG core drilling rig is a multifunctional core drilling rig, mainly used for shallow hole core drilling with diamond or carbide drill bits. It is also ...

Synergy Rigs is a leading borehole drilling equipment supplier in Ghana and across West Africa, offering tractor mounted borehole rigs, water well drilling machines, and hydraulic rotary rigs at ...

The DE880 is the most powerful drill rig within the Sandvik range of exploration drill rigs. It has the greatest depth capacity when core drilling due to its large main winch and wireline winch.

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre-splitting holes.

1400mm Multi functional DTH drilling rig The entire machine is 1.4 meters wide and 2.2 meters long, with a

## Multi-angle hydraulic down-the-hole drill rig

maximum height of no more than 2.7 meters during operation. A 30kW working ...

Hydraulic Top Hammer Drilling Rig KL510 top hammer drilling rig is equipped with standard drill rod of 45/38mm diameter to drill vertical, inclined and horizontal ...
