Who makes Nanxiang air compressors?

Since 1985, Nanxiang has been a leading manufacturer of air compressors, expanding their market from local to global. With a focus on quality and innovation, Nanxiang offers a range of products including piston compressors and rotary screw compressors to meet the needs of various industries.

What is the minimum order quantity for a compressor?

The MOQ, or minimum order quantity, for sample orders is just 1 set. However, for compressors ranging from 3.7-55kw, the minimum quantity is 3-5 sets. For compressors over 55KW, the MOQ is 1-2 sets. It's important to note that the MOQ can be adjusted based on your specific situation, so be sure to discuss your needs with our team.

How do I Choose an air compressor?

Factors to consider include the required flow rate, desired pressure, whether an oil-based or oil-free machine is preferred, and the dew point temperature of the compressed air. By taking these factors into account, you can choose an air compressor that meets your specific needs and ensures optimal performance. Which payment terms you can accept?
