

Nantong screw air compressor air filter

Who is Nantong Redstar air compressor parts manufacturing?

Nantong RedStar AirCompressor Parts Manufacturing Co.,Ltd. was established in 1995,covering an area of 52800 square meters. It is located near the coastal expressway in the Jianghai Plain. It is a high-tech enterprisethat integrates research and development and manufacturing,and has passed the ISO9001 quality management system certification.

What is a screw air compressor air filter?

The air intake filter is the first protection for screw air compressorsand prevents dirt and dust particlesfrom entering the machine. It protects the screws and bearingsand reduces the strain in the air oil separators and oil filters installed downstream.

What is the micron rating of a compressed air filter?

Most of our compressed air filters are made with a micron rating of 5 or 10depending on the OEM specifications set forth by each manufacturer. We carry a wide range of air filters for all the major manufacturers of rotary screw,reciprocating and vane air compressors,as well as pumps and vacuums.

Who is screw air compressor manufacturer?

Each air compressor includes filtration and compressed air treatment options. was established in 2011. Our screw air compressor factory in Qidong City, Jiangsu Province, near Shanghai. We are one of the compressor manufacturers who combine production, trade, service and R&D.

What is an air filter for a compressor?

Our air filters for compressors are manufactured with the highest quality filter media available to provide continued protection for your compressed air system. Air Compressor Inlet Filters are the first line of defense to foreign contaminants which will decrease the life of your compressed air system and compressor oil.

What are air compressor inlet filters?

Air Compressor Inlet Filters are the first line of defense to foreign contaminantswhich will decrease the life of your compressed air system and compressor oil. We guarantee that all of our compressed air filters will fit your compressor,vacuum pump or blower based on the OEM part number.

DHH 20HP Rotorcomp Permanent Magnet Screw Compressor 15 kw Screw Air Compressor The Air Compressor for Fiber Laser Cutting Machine Integrated compressed air system includes ...

The Air Compressor for Fiber Laser Cutting Machine Integrated compressed air system includes screw compressor, refrigerated air dryer, tank specialized for fiber laser cutting machine.

DEHAHA 3-phase Air Cooling General Industry 500L Power Rotary Electric Industrial Portable Screw Air
