

# Offshore oil drilling rig supplier

What are offshore oil rig manufacturers?

Offshore Oil Rig Manufacturers specialise in offshore drilling and rig construction. These rigs drill into the ocean floor to extract oil or gas and have facilities for refining and storing the products until they can be transported to shore. The rigs are constructed in port cities and then towed to their destination.

What is rig equipment?

Our Rig Equipment team designs, manufactures, and sells land rigs, complete offshore drilling packages, and drilling rig equipment and components designed to mechanize and automate complex drilling rig processes. Our prolific portfolio includes several industry-first equipment innovations including the top drive and iron roughneck.
