

Pickel board drilling rig

What is a pickerel rig?

The pickerel rig is one of the most versatile pre-tied fishing rigsthat you'll find in most tackle shops. It will catch trout,walleye,perch,pike,carp,bass,panfish and even lake sturgeon. It's truly a multi-species rig that excels at targeting fish that are close to the bottom,without getting your hooks stuck.

How do you use a pickerel rig?

Pickerel rigs are ideal for fishing from the side of a boat, a dock, or pier where you have water directly below you and can drop your rig straight down. When lake fishing, use your sonar to find where schools of fish are holding, then drop your pickerel rig right on top of them.
