

Portable core drilling equipment

Portable Water Well & Soil Sampling Drills Lone Star's Drills are available in sixteen models and used in a variety of applications including water well ...

The HS-2T Vertical Backpack Exploration Core Drill Rig is a portable and versatile drilling system designed for geological and environmental ...

Description The 41 mm Shaw Backpack Portable Rock Coring Drill Kit is ideal for conducting explorations in remote locations and can be utilized for a wide ...

Hole Diameter: 65-213mm Max. Drilling Depth:300m Drilling Method: Wireline Diamond Core Drilling && Application JCD300 core drilling rig is a kind of lightweight fully hydraulic core ...

Mobile Drill and Rig Source both agree that being able to offer a variety of innovative solutions and customized drill rig units to their customers is ...

About this item 4-inch Wet Drilling: Our lightweight handheld core drilling machine can perform wet drilling, and you can feel assured of accuracy ...

Geotechnical Drilling Rigs Geotechnical drilling rigs provided by Hardrock could cover a full range of site investigations, including deep core drilling, sampling, exploration, geotechnical drilling, ...

Sort By: View as: 1 2 3 BLUEROCK TOOLS BLUEROCK Model 4Z1 Handheld Portable 2-Speed Concrete Core Drill NEW BLUEROCK Tools 4Z1 DUAL SPEED CORE DRILL HIGH OUTPUT ...

This portable, robust drill sampling equipment processes geological core samples in situ, in all orientations, with a tailored recovery kit to ensure the acquisition ...

Build a custom core drill rig with our variety of core drilling products. Shop our large line of core drilling equipment online!

The drill is fitted with a safety clutch in gearbox (drum assembly type) This unit is designed to be an easy portable type drill for easy hand drilling when electrical ...

This portable backpack core drill rig is specially designed for mineral exploration, oilfield surveying, geological research, and prospectors. We have continuously improved through ...

Hydraulic borewell machine and portable core drilling machine in YG, drilling depth 130-170m, ideal for

Portable core drilling equipment

water wells and geological projects.

XDQB-6 Portable core drilling rig Brief Introduction The XDQB-6 portable full-hydraulic core drilling rig is widely used in geological prospecting and mineral exploration due to its easy ...

Explore Rig Source's extensive selection of rental drilling equipment, including geotechnical, environmental, core drilling, and more. Browse our available ...

ASC Scientific stocks a variety of rock core drills for collecting samples. We sell both electric portable rock core drills and gas core drills.

The Apafor 220 DMT is a mobile drilling rig, ultra light and disassembled in a short time. Perfect for very difficult site access, portable rig easily transportable ...

Wet Dry Handheld Diamond Core Drill Rig 2.5HP 1900W Drill. CS Unitec | ETN 2001 P | Wet & Dry Diamond Core Drill. High-Torque, Heavy-Duty, Hand-Held, and Dual-Speed. Ideal for ...

It is a high-speed drilling rig, suitable for geological survey, geological exploration, road and high-rise building foundation exploration, water wells, blasting holes and other drilling projects .

You can track, manage and secure equipment from your mobile device or computer using the industry's largest Bluetooth® community tracking network. ...

The CSD 500C man-portable drill rig is specially designed for diamond drilling in poor-access locations. Its modularized design features extreme convenience to break down into light ...

Our concrete core drilling equipment is designed to work with diamond core bits to core (remove cylinder of material) from concrete and stone. Diamond Tool Store carries a wide range of core ...

Explore screw, piston, and portable models for mining, manufacturing, and automotive applications. ISO-certified, 24/7 support. Fill out the form to specify your machine ...

Discover Sinocoredrill's Portable Exploration Drill Rigs, including Portable Core Drilling Rigs, Portable Geotechnical Drilling Rigs, and Portable Mining Drill Rigs. Buy reliable and efficient ...

The CSD 500C man-portable drill rig is specially designed for diamond drilling in poor-access locations. Its modularized design features extreme convenience ...

The HSB-1 backpack core drilling rig comes in two variants with drill bit diameters of 26mm and 36mm. These portable and versatile drilling systems have ...

Portable core drilling equipment

Geotechnical Drilling Rigs Geotechnical drilling rigs provided by Hardrock could cover a full range of site investigations, including deep core drilling, sampling, ...

Discovery MP500 - Man Portable Diamond Core Drill MPP's newest man-portable drill, the MP500 is designed to drill in some of the world's most ...
