

Rig mounted drill motor

The Core Bore CB744 Heavy Duty Core Drill Motor is an economical solution for coring holes to 14" in diameter when mounted on a Core Rig (18" with one spacer block). This four speed ...

Ideal for drilling concrete, reinforced concrete, brick, block and stone. High torque and easy operation make this a production machine for the professional. The ...

The DS25M Vacuum is incredibly powerful and pulls the dust all the way from the cut. Through the solid barrel cores - through the hollow adaptor (light duty only) Through the hollow spindle ...

For all your onshore and offshore drilling operations Baldor and ABB have you covered with our extensive line of motors created specifically for the drilling industry. Each motor is carefully ...

Industry's most lightweight and portable combination of drill stand and motor The EBM 352/3 PSA (20 Amp 3-speed motor with combination anchor/vacuum stand) drills holes up to 14" diameter ...

The WEKA DK32 offers powerful core drilling with a 30 AMP motor and 3-speed control. Perfect for heavy-duty concrete coring.

115V Milwaukee 4004 Core Drill Motor 14" Bit Capacity Motor Rig Mounted 2-Speed 115Volt Core Bore Mounted Motor. P/N 4244033 (115Volt) with on/off switch.

Up to 8% cash back! Perform a wide variety of handheld or rig mounted coring applications like through penetrations and blind holes with new enhancements to the core rig ...

The WEKA DK22S Drill Motor is your go-to tool for precision and performance in concrete coring. Powered by a robust 23 AMP motor, this electric core drill ...

The XCalibre Magnum handheld hydraulic core drill motor is on low-maintenance and on high-performance, with an unrivalled power for both wet and dry drilling applications alike. Although ...

Drill motors pair with a compatible stand to form a coring rig. Coring rigs include a core drill motor and a matching stand that provides a stable base to hold the drill steady and create larger, ...

Discover AGP's Rig-Mounted Diamond Core Drill Motor DM14, engineered for superior performance in construction/metal/powertools. With advanced technology and durability.

The Husqvarna DM400 is a sturdy and powerful electric diamond core drill motor and a superb choice for

Rig mounted drill motor

demanding drilling applications where reliability and ...

CB733 3-Speed Electric Drill Motor 20 amp, 120 volt or 230 volt Up to 16" bit capacity Built-in thermal overload protection Water connection for wet drilling ...

Industry's most lightweight and portable combination of drill stand and motor The EBM 352/3 PSA (20 Amp 3-speed motor with combination anchor/vacuum ...

Powerful 20 Amp motor with high power reserves and a long lifetime 3-speed oil bath gearbox - for optimal lubrication in all working positions, due to the ...

Atlantic Caisson offers a variety of specialized equipment for various drilling needs in straight shaft, belled shaft and slurry procedures; including Self ...

SYNERGY RIGS INDIA is a leading manufacturer and exporter of borewell rigs, truck-mounted borewell compressors, tractor-mounted borewell machines, horizontal directional drilling ...

Core drill rigs, also known as core drilling rigs, are specialized machines used to extract cylindrical samples (cores) from various materials such as rock, soil, concrete, and asphalt.

Rig mounted drill motor
