

Rigid drills review

Should I buy Ridgid tools?

If you can live without yard tools or other one-off tools being on your same tool platform, Ridgid would be a good choice. Whatever you do check out Direct Tools Outlet, they sell factory blemished and reconditioned Ridgid tools, along with Ryobi and a few other TTI brands.

Does Ridgid sell cordless power tools?

Yes, Ridgid does sell some cordless power tools, but the selection of corded tools, stationary tools, and corded benchtop tools is better. You will also find that this brand produces a variety of pneumatic tools and compressors too. One category of tools that Ridgid does excel in is the category of hand tools.

Is RIDGID a good brand?

If you just need some basic yet high-quality hand tools, Ridgid is a good brand to consider. Ridgid does also produce some other things including various diagnostics and locating tools for the plumbing, electrician, and construction trades, many kinds of drain cleaning tools, many different wet and dry vacuums, and more.

Is Ridgid r86001 a good drill?

our testing. The Ridgid R86001 is an all-in-all decent drill that performed decently in most of our assessments. Its strongest suits were drilling through sheet metal, utilizing a hole saw bit, and drilling into wood with a paddle bit.

Are Ridgid tools made by TTI?

Essentially, Ridgid has TTI handle their manufacturing, but TTI still follows Ridgid's designs and manufacturing processes to ensure the tools are up to the brand's standards. So if you have Ridgid cordless drills, circular saws, and other power tools that were made in the last decade or so, it's likely you have products manufactured by TTI.

Are DeWalt Tools better than Ridgid tools?

Both brands make a wide range of good tools, but a lot of Dewalt's tools offer features that Ridgid tools don't. That said, Dewalt tools don't come with the best warranties, and some of them are so elaborate it makes using them difficult. In the end, DeWalt is slightly better quality.

The drills do all right, they drill holes and drive screws just like they should. They're definitely not as powerful as my coworker's Milwaukee drills, but I wouldn't expect them to be given the price ...

I have owned Ridgid tools for over 5 years. My first purchase was the Drill/driver, then the multitool and the latest was the impact driver. I'll share a quick review of these tools and why I went ...
