

Rock drill cutter head

Manufactured in multiple sizes, Barbco Disc Cutter Heads are a game changer when it comes to drilling in hard rock ground conditions. Equipped with multiple cutters on the face, these cutting ...

The Shaft Boring Cutterhead (SBC) is developed for mechanized full-face shaft sinking in hard rock to a depth of 2,000 meters. The excavation sequence is highly automated.

VOSTA LMG cutter heads feature patented cutting systems designed for optimal performance. Our sand/clay, multi-purpose, and rock cutter heads can tackle soils from sticky clay to rock ...

Description: Dual drum cutters are designed for high-performance cutting in a variety of materials. Ideal for applications requiring efficient and precise ...

Traxxon is the exclusive manufacturer of TR-EX Drill Attachments, delivering precision and efficiency in excavator-mounted drilling tools.

Mixed-ground disc cutter heads are used for high compressive strength geology, feature full-face support, and heavy duty tooling options. Project-specific, ...

Rotary drill heads designed for smooth operation & simple maintenance in rotary drilling applications such as soil nailing and micropile operations.

Bit selection to obtain optimum drilling efficiency and economy for the given ground conditions is the most critical issue for HDD in rock.

Discover the revolutionary XTRM Cutting Head, expertly engineered for horizontal boring applications. This cutting-edge tool is your go-to solution for efficient drilling in various ground ...

TEI rock drilling attachments are the most versatile excavator drilling platforms available for ground improvement, earth retention and rock drilling ...

MTG develops its own cutterheads, which are designed and tailored by our Engineering Team, using the most advanced CAD/CAM and prototyping technology, to meet our customers' ...

Our sand/clay, multi-purpose, and rock cutter heads can tackle soils from sticky clay to rock with a UCS of up to 120 MPa, ensuring the lowest cost per cubic meter dredged. For safe and easy ...

Fly cutters and large milled tooth drilling heads work well for soil and soft rock. Chisel tooth profiles suit

Rock drill cutter head

rocks with medium hardness and conical tooth profiles work best in ...

Mills Machine has been custom manufacturing horizontal hard rock drilling bits for over 20 years. We make two types of HRR bits: a Free Bore and Casing Push ...

These Heavy Duty Rock Heads are designed for drilling holes in hard clay, shale, hardpan, sandstone and root impregnated areas. The cutting faces and edges are coated with tungsten ...

Rockwheel D30 by RockZone Americas is a heavy-duty drum cutter designed for demanding rock excavation tasks. Discover its features for challenging projects.

When rock is encountered, different drilling heads will need to be used from tri-cone bits to railheads depending on the type of rock encountered. To drill in rock, a mud motor, which ...

Hub Options Hard rock augers are available in 2 popular sizes, 75mm and 110mm square. Heavy Duty Heavy wall pipe for rotational strength. 20mm thick starter flights, optional hard facing will ...

The better a cutter head performs the more productive your cutter suction dredger will be. Choose from a wide range of cutter heads and get the best in the market.

Tunnel boring machine cutters referred to as "TBM Cutters", are excavation tools installed on the cutter heads of tunnel boring machines and shield machines, ...

The Hard Rock Auger from Auger Torque has been designed and engineered to fulfil the most demanding of drilling situations. Performance is increased due ...

Railhead Underground Products, LLC is the leading manufacturer of the drilling tools for the horizontal drilling industry. We produce world-class quality ...

Litian focuses on the rock tool consumables - TBM cutters, top hammer drilling tools, and raise boring cutters. The rock drilling tools and excavation cutting ...

Drilling sets the tone for the whole operation, impacting the speed, efficiency and cost of all downstream operations. Choosing the ideal tool for the rig and ...

Rock drill cutter head
