

Russian drilling rig factory

Who makes Uralmash Drilling rigs?

Uralmash NGO Holding manufactures drilling rigs for drilling deep production and exploration wells. This interview is featured in The Oil & Gas Year Russia 2020 How did demand in the Russian drilling rig market develop in 2019? The demand in the drilling rigs market in Russia depends on many factors.

How many drilling rigs are there in Russia?

A little more than 1,000 drilling rigs are operated in Russia. One third of these are technologically and physically exhausted. Subsoil users are increasing requirements for drilling companies. Drilling companies, with their old drilling rigs, are no longer able to fulfil all of the demands of subsoil users.

Why is Uralmash Drilling rig design important?

The drilling rigs' design allows for negative environmental effects to be minimised. Yuri Karpov, general director of Uralmash Oil and Gas Equipment Holding (Uralmash NGO Holding), talks to The Energy Year about demand in the Russian drilling rig market and how the company is advancing the design of its rigs.

Who makes drilling rigs?

Drilling Technology Plant manufactures drilling rigs URB 2A2, URB 12.ZBT, small-sized drilling rigs UKB 12/25 and Static Sounding Rigs USZ, as well as provides warranty and maintenance services for drilling rigs and drilling equipment.

What factors affect the demand for drilling rigs in Russia?

The demand in the drilling rigs market in Russia depends on many factors. First, it depends on macroeconomic factors, mainly the price of oil. When the oil price drops, volumes of drilling decrease. Moreover, there has been a sort of cyclical evolution over the past five years.

Who is Uralmash Oil & Gas Equipment Holding?

Founded in June 2010, today Uralmash Oil and Gas Equipment Holding consolidates several enterprises having more than 75 years of experience in manufacturing of drilling and oil and gas equipment, the company is the biggest Russian manufacturer of drilling rigs for development and deep exploration drilling.

Drilling Technologies Factory - is modern production company. We are one of the leading manufacturers of drilling rigs in the territory of the Russian Federation and CIS countries.

YG SPT drilling machine succeeds in Russia! Learn how it boosts drilling efficiency by 40% in harsh Siberian cold. Factory direct.
