

S25 rock drill

S25 Rock Drill Machine This machine is designed to meet the mining industry's need for one rock drill that is capable of both stoping and developing applications, as well as shaft sinking. Its ...

S25 ROCKDRILL Description S215 Rock Drill (Seco Equivalent) Part No 258592 158592 Est. Weight (kg) 31kg 22.6kg Length incl. Drill steel retainer (mm) 760 730 Drill steel chuck hex ...

The Mindrill S25 pusher leg mounted rock drill is a hard-hitting hammer ideal for development end drilling. Its relatively bigger size makes it suitable for drilling when sufficient space is available. ...

High penetration speed Rig mount option for dimensional stone and quarrying applications Ideal for development of end drilling Hard hitting machine with versatile applications Can be used to ...

The Mindrill S25 Pusher Leg Mounted Rock Drill is another hard-hitting hammer that excels in development end drilling. Its larger size makes it ideal for applications where space is not a ...

The Seco S25 Pusher Leg Mounted Rock Drill is a hard-hitting, high-performance hammer designed for development end drilling. Its larger size makes it ...

Discover the powerful S25 rock drill, featuring advanced percussion technology, ergonomic design, and superior drilling performance for mining and construction applications. Built for ...

The S25 rock drill represents a significant advancement in mining and construction equipment, combining robust performance with innovative design features. This powerful pneumatic drill is ...

2nd Generation rock drills In line with world trends and because our Human Capital is important to us, Victoria Engineering is in the forefront of developing ...

Our Products Rockdrilling Equipment offers a wide range of rock drilling tools and mining equipment. Use our product navigation links to browse by category.

The S25 Rock Drill test report provides specifications for the S215 Rock Drill, including air and water connection sizes, weight, noise level, and consumption rates. The drill has a weight of ...

Rock drills (S21 Blower, S25, S215, S23, Holman) and air legs Rock drill and air leg spares Mining hose Drilling and blasting accessories Mine Marking Paint ...

Explore how Mindrill's S215 and S25 jackleg drills boost efficiency in underground mining. Get durable,

S25 rock drill

high-performance drills for narrow vein-stopping and end drilling.

The NASA NS25M Rock Drill is the industry standard jackhammer for development end drilling. It is a hard-hitting, powerful machine designed for use in any drilling operation where the ...
