

Sandvik de880 drill rig

What is the drilling capacity of Sandvik de880 rig?

Adaptable and strong, it can be configured to fit various transport applications like truck or crawler mounted and jack up styles. Our Sandvik DE880 rig performs reverse circulation drilling, rotary drilling technique and diamond core drilling with its 9m rod pull capacity. Meanwhile, the drilling capacity of the product is 3174 metres.

Which Sandvik drill rig is best?

The DE880 is the most powerful drill rig within the Sandvik range of exploration drill rigs. It has the greatest depth capacity when core drilling due to its large main winch and wireline winch.

What is a de880 drill rig?

The DE880 is for customers who prioritize deep-hole productivity gains that come from optimum drilling performance at depth and pulling rods in 9 m (30 ft) sections. DE880 multi-purpose drill rig for surface applications. *Calculations are based on machine capacity, which in some cases may exceed the rated hole depth of the down hole tooling.

What equipment do you need for a Sandvik RC rig?

Onboard: Compressor Sullair 1350cfm/350psi, Booster Ariel 1250cfm/750psi, Sandvik Rod Loader, 216m x 4" RC pipe. Capabilities: Mineral exploration - core drilling, RC drilling, rotary air or mud drilling, directional drilling and geotechnical drilling.

What is a Sandvik de881?

Our DE881 is the largest capacity of its kind with depth ratings of diamond coring to PQ 1436m, HQ 2125m and NQ to 3200m. For versatility and responsibility when it comes to terrain, our Sandvik DE710/712 units leave a very small environmental footprint.

Designed for drilling angles between vertical and 45°. Incorporating a dual point mast pivot frame and 1300mm (4'3") hydraulic mast dump to ground level at 45° drilling angle.

The DE880 is the most powerful drill rig within the Sandvik range of exploration drill rigs. It has the greatest depth capacity when core drilling due to its large main winch and wireline winch.

* Payment stated above assumes a secured commercial loan transaction available to highly qualified applicants and assumes terms of 60 months, 0% down payment and 10% ...
