

Sandvik surface drilling

Available for all i-series surface drill rigs, the simulator delivers a realistic, safe and cost-effective training environment.

SANDVIK DE880 MULTI-PURPOSE SURFACE DRILL TECHNICAL SPECIFICATION The DE880 is the most powerful drill rig within the Sandvik range of exploration drill rigs. It has the ...

DR412i blasthole drill is designed to deliver dependable penetration and greater return on investment for rotary and DTH holes. From onboard automation that ...

Ranger DX900i is a hydraulic, self-propelled, self-contained, crawler based surface drilling rig equipped with a cabin (F.O.P.S. and R.O.P.S.) and rod handling system.

Typical applications for Ranger DX800 are road cutting, pipe-line drilling and foundation drilling, as well as production drilling in medium size quarries. Therefore Ranger DX800 is most often ...

Sandvik said the move reaffirmed its strategic focus on surface drilling, allowing it to increase production capacity by up to 30% while significantly shortening lead times for ...

Sandvik Launches AutoMine Surface Drilling Simulator to Boost Mining Efficiency and Safety Sandvik Mining has introduced its AutoMine Surface Drilling Training Simulator, a ...

Sandvik has received its largest ever order for surface drill rigs, valued at SEK 248 million. The order from U.S.-based Sandvik dealer Country Boy Supply, LLC was booked in ...

Sandvik Alpha(TM) is a market-leading drill system for both tunneling and mine development applications. The benefits of using it are great: you can reduce your rock tools costs with up to ...

Our Sandvik DR540 high-pressure down-the-hole (DTH) drill delivers leading penetration with an up to 34.5 bar (500 psi) compressor. The large air ...

Sandvik is investing in its surface drilling capabilities by introducing a new production line at its factory in Tampere, Finland. The move supports the ...

The surface test mine is located 40 kilometers northwest of Tampere and Sandvik's renowned underground test mine. The area, which has previously served as a quarry, will be developed ...

Pantera(TM) DP1610i is an intelligent, diesel-powered, self-propelled, crawler-based surface top hammer drill

Sandvik surface drilling

rig with a comfortable cabin and rod-changer. Designed for large hole size ...

Sandvik intelligent surface drill rigs bring the latest technology to surface mining applications. View our leading range of surface drilling rigs.

The D50KX rotary/DTH blasthole drill features digitally driven enhanced productivity with features like high-precision TIM3D GPS navigation and the ...

SURFACE DRILLS TECHNICAL SPECIFICATION Ranger DX800 is a hydraulic, self-propelled, crawler based surface drilling rig equipped with a cabin (F.O.P.S. and R.O.P.S.) and rod ...

Ranger(TM) DX700 is a hydraulic, self-propelled, self-contained and crawler-based surface rig with an ergonomic, high-visibility cabin and rod handling system. Typical applications are road ...

The D50KX rotary/DTH blasthole drill features digitally driven enhanced productivity with features like high-precision TIM3D GPS navigation and the Knowledge Box™; for seamless connectivity ...

Sandvik offers a comprehensive range of surface drill rigs and tools engineered for precision, fuel efficiency, and performance across applications like quarrying, construction, and open-pit ...

Equipped with Sandvik intelligence features, this powerful drill rig has an optimized drilling system with a drilling coverage of 290°;. Features 290°;. ...

As decarbonization efforts accelerate across the surface mining sector, Sandvik has unveiled its second battery-electric concept surface drill ...

Pantera(TM) DP1510i is an intelligent, hydraulic, diesel-powered, self-propelled top hammer drill rig. Designed for large hole drilling, it is suited to production drilling in large quarries or open pit ...

Part of global industrial engineering group Sandvik, Sandvik Coromant is at the forefront of manufacturing tools, machining solutions and knowledge that drive industry standards and ...

Sandvik Rental Services offers a wide range of Surface drill rigs, such as top hammer and down-the-hole drill rigs. Sandvik intelligent surface drill rigs bring the latest technology to surface ...

Traxxon is a leading supplier of surface drill rigs from Sandvik in Canada, providing precision rock drilling equipment for challenging applications.

SANDVIK D55SP The D55SP comes with low-pressure air for rotary drilling or high-pressure air for down-the-hole (DTH) drilling. The drill excels in single pass drilling, where productivity ...

Sandvik surface drilling

AutoMine Surface Fleet incorporates AutoCycle features, which automate the drilling process and minimise human intervention. Credit: Sandvik. Equipment manufacturer ...
