

Saskatchewan drilling rig locator

Are there any rigs in Saskatchewan?

On Sept. 11, Rig Locator (riglocator.ca) showed nine rigs working in Saskatchewan. This drilling rig, built by Totem Drilling, became a CanElson Drilling, then Trinidad Drilling, and finally Ensign Drilling rig. It spent the downturn racked in Crescent Point's Stoughton laydown yard, and was cut up for scrap this summer.

Are rigs drilling in Saskatchewan?

Drilling rig activity in Saskatchewan is seeing consistent activity in all regions of the province, as well as three companies drilling for helium and one for lithium. That's according to Canadian Association of Energy Contractors data, published by RiggerTalk.com. In southeast Saskatchewan, fifteen rigs were making hole.

Which rigs were drilled in Saskatchewan?

Ish Energy Ltd. employed Lasso Drilling Corp. Rig 6 northeast of Hoosier. The area north of Coleville had four rigs working. Baytex had Savanna Rig 425 and Precision Rig 155, Whitecap had Bonanza Drilling Rig 2. A standout is Grounded Lithium, drilling its first hole, making this the second targeted lithium hole drilled in Saskatchewan.

Is there oil drilling in Saskatchewan?

The third was drilling for North American Helium Inc. north of Consul. There was no oil drilling going on in southwest Saskatchewan. There's been something of a shift to the east, as there are now four rigs working in southeast Saskatchewan.

Where is Precision Drilling rig 188 working in Saskatchewan?

Serafina Energy had Precision Drilling Rig 188 working at Prince, north of North Battleford. Drilling rig activity has started to slowly pick up in Saskatchewan's oilpatch, but the numbers are still very low compared to any point over the last decade. On Sept. 11, Rig Locator (riglocator.ca) showed nine rigs working in Saskatchewan.

Where did the last rig work in Saskatchewan?

The last rig working was drilling for IPC Canada Ltd. at Onion Lake, a little more than a stone's throw from the Alberta border. Also notable is that all the drilling currently being done in Saskatchewan is by larger contractors.
