

Surface drilling rig quotation

Our intelligent surface drill rigs bring the latest technology to surface mining applications. Designed to work in the toughest operating conditions, our ...

Ranger(TM) DX700 is a hydraulic, self-propelled, self-contained and crawler-based surface rig with an ergonomic, high-visibility cabin and rod handling system. Typical applications are road ...

As one of the most professional 454 integrated dth surface drill rig manufacturers and suppliers in China, we're featured by quality products and competitive ...

Surface drill rigs are used for blast hole drilling in construction, quarrying, and open-pit mining, covering a hole range between 27-229 mm. We offer the ...

Sandvik is renowned for its surface drill rigs, particularly the DX700 and DX800 models, which are equipped with hydraulic top hammer ...

2024 Latest **Surface DTH(Down the Hole) Drilling Rig**-for Open Pit Mining, quarry, and construction industries, the drilling hole diameter is wide and can be applied to ...

KAISHAN is a world leading manufacturer of rock drilling equipment since 1956. Our surface drill rigs are available in surface DTH drill rigs and surface top ...

Geotechnical rig capable of wireline and conventional coring, as well as DTH, rotary and auger drilling methods. Upgraded mast for higher depth capacity.

VersaDrill's mineral exploration drills feature the latest in technology and performance, offering guaranteed efficiency, reliability, and quality. We provide rugged drill rigs for both surface and ...

ZGYX series integrated open-air down-the-hole Dimension Surface Drill Rigs are widely used in stone factories for drilling operations.ZGYX series integrated DTH Surface Drill Rigs are highly ...

Product Details Product Concept The diamond rope coring drilling rig is designed specifically for surfacecoring operations,the tracked design facilitates equipment relocation,this type of drilling ...

The DR410iE blast hole drill provides mine operators with a compact, powerful, and technologically advanced drill that produces clean, consistent holes, enhancing productivity ...

Advancements in Drilling Equipment Continuous advancements in drilling equipment, such as more powerful

Surface drilling rig quotation

and efficient drill rigs, are transforming surface drilling operations. Innovations ...

As a premier manufacturer of mining drilling rigs, Sunward offers a comprehensive range of equipment designed for efficiency, safety, and ...

Ranger(TM) DX800 is a hydraulic, diesel-powered, self-propelled top hammer drill rig with an ergonomic cabin and rod handling system. Typical applications are ...

As one of the most professional d535t small integrated dth surface drill rig manufacturers and suppliers in China, we're featured by quality products and ...

Whether you're conducting preliminary exploration to mine development, or environmental monitoring to restoration and reclamation, the wide array of ...

Kaishan dth drilling rigs is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

Surface drilling rigs play a crucial role in industries like mining, construction, and oil & gas exploration. These versatile machines are ...

If you have any questions about our range of surface drill rigs, please feel free to contact us. A member of our experienced and qualified team will be happy to answer any questions you may ...

Combining portability, robustness, and efficiency in a heliportable format perfectly optimized for surface operations, the KmN.8h drill reaches depths of up to 822 ...

Whether you're conducting core sampling for mineral exploration or drilling in remote locations, Sunny Corner's surface core rigs offer exceptional value and efficiency.

Discover our wide range of surface drilling equipment within mining, quarrying, construction, civil engineering and the dimension stone industry.

Established in 1997, ORIENT MACHINERY is one of the most professional surface drill rig manufacturers and suppliers in China. If you're going to buy discount surface drill rig in stock, ...

The MX101 Surface Integrated DTH Drill Rig is a cutting-edge drilling machine designed for surface mining, quarrying, and large-scale construction projects. It integrates a high ...
