

Terra sonic drill rigs

The Terra Sonic 150C Series Sonic Drill Rig sets the standard in sonic drilling. No other sonic drill rig can get a sonic drilling project completed faster, safer, or ...

Terra Sonic TSI-150cc This sonic drill package is mounted on a low ground pressure tracked carrier for access to all sites. The sonic drill system can generate frequencies of 0-150 Hz ...

Drill Rigs: Terra Sonic Drilling Rigs are purpose-built to optimize the performance of the TSi 150 Oscillator. Every rig is designed to precise tolerances and engineered by experienced drillers ...

Offering a combined 200 years of experience in the Sonic Drilling industry, TSi designs and manufactures the 150T truck-mounted rig, the 150C crawler-mounted rig, the ...

Service elevated to a partnership. Terra Sonic expertise, service, and support mean you'll always have a true sonic drilling partner. We manufacture, sell, and support TSi rigs all over the world. ...

Terra Sonic 150T - This state of the art resonant sonic drill rig combines industry leading power with all the advantage of a full-sized, truck-mounted configuration.

Earth Drilling's TerraSonic Mini Rig can drill to depths greater than 244 m @ 150 mm hole diameter and is mounted on 300mm wide tracks providing for low ground pressure (0.46 ...

The rig, with the proprietary 150 Series SONIC Oscillator, excels in numerous applications such as environmental, geotechnical, geoconstruction, mining, ...

The Gus Pech 400RS is a powerful truck-mounted sonic drill rig. Outfitted with an industry leading Diedrich drill head, the 400RS runs a 24-foot stroke for faster ...

Terra Sonic combines the industry-leading innovation of their exclusive Sonic Head Oscillator with a full-size truck. This rig is perfect for projects requiring ...

The 150C Series features the proprietary TSi Sonic Head Oscillator, the world's most powerful sonic drill rig, setting the standard in sonic drilling. This rig boasts a full-size chassis on ...

The TSi 150CC sonic drilling rig is designed to offer contractors a small footprint. Using the same sonic head as the TSi 150T sonic rig the ...

How TSi Sonic Drilling Works TSi Sonic Drill Rigs feature a sonic head with oscillators that generate a range

Terra sonic drill rigs

of frequencies. The vibrations generated by the oscillators transmit high ...

View the Terrasonic International Literature page and download a PDFs of the latest in Sonic Tooling, Sonic Rigs, and Sonic Technology!

TSi Sonic Drill Rigs are ideal for the installation of micropiles, earth anchors, grout curtains and piezometer and inclinometers. Sonic drilling also provides efficient grout curtain, confirmation ...

The TSI 150CC is a compact crawler-mounted sonic drill rig designed for versatility and access in tight spaces, featuring a powerful 225 hp engine and a sonic oscillator that generates resonant ...

The TSi 150CC Sonic Drill Rig is the most powerful sonic rig on a small platform in the world. It brings full Terra Sonic power and innovation to a compact ...

The TSi 150CC Sonic Drill Rig is the most powerful sonic rig on a small platform in the world. It brings full Terra Sonic power and innovation to a compact ...

Terra Sonic International is the global leader in Sonic Drilling technology and equipment. Offering a combined 200 years of experience in the Sonic Drilling industry, TSi ...

This rig boasts a full-size chassis on versatile crawler tracks allowing it to trek long distances over difficult terrain. Its mast accommodates 20ft sections of tooling. The 150C Series features the ...

The TSi 150CC is not just different; it's better. This beautiful yet robust SONIC drilling rig features an elegant design and unparalleled capability. The pr...

Parts & Service Service and Support that Keeps You Drilling When you have Terra Sonic as your sonic drilling partner, you have the fastest service response times in the industry. Our team of ...

The TSi Difference TSi Sonic Rigs: Built by Drillers for Drillers Terra Sonic International is the global leader in SONIC Drilling technology. TSi designs and manufactures a complete line of ...

Terra Sonic offers a complete sonic system, with Terra Sonic Heads, Terra Sonic Drill Rigs, and Terra Sonic Tooling engineered and precision-crafted to work ...

The TSi 150cc is the most versatile and innovative Sonic drilling rig on the market today. This rig can drill to a max depth of 1,500 feet and produce boreholes up ...
