I built a factory of large machines, chose to create a mobile drilling rig, all the resources were delivered, time passes but the construction time scale does not increase, ...

I've filled my drilling rig up, but can't figure out how to empty it. I've built a cargo dock, but that didn't seem to do the trick. Any suggestions? Thanks.

Firstly, how do you unload the MDR once it's picked up a bunch of regolith? I even tried building a cargo dock since it certainly seemed like a "heavy vehicle", but couldn't find ...

I tried to click both the MDR and cargo truck, right, left or even middle click, I still have no clue how to

The crust mobile drilling rig unload

unload the minerals. But yes, I found ...

This is the Mobile Drilling Rig Steam Workshop blueprint for Space Engineers! A large mobile base with a giant drilling arm attached on to it. With fully automated deployment of the drill and even ...

The Cargo Truck can be used to automatically transport Resources between the Mobile Drilling Rig or Ice Harvester and the main base. If you have built a Cargo Dock the Truck will ...

New Model for the Mobile Drilling Rig Efficiency and Balance of Colonists We continue to develop colonist mechanics, and in this update, they ...

I'm at the oil rig drill delivery part of "not a drill" in black River, the game displays the warning in the title whenever I try and unload the cargo and move on to ...

New Added a mode for managing the work time of colonists; now you can increase or decrease the work time of a colonist per day. Added grouping of numbers to credits The ...

Maybe I'm stupid, but I can't figure out how to unload ore from a mobile drilling rig. I dug up ore on the surface of the Moon, sent the driller to the base and... what do I do next?)

In the future, it will produce new resource types. Mobile Drilling Rig: drill management has been changed, now you can set a radius for the drill's working area. ...

It comes in 2 versions: One that holds the usual 3 logs and another that holds 12 logs. The 12 log version still only counts as 1 load if taken to an objective.

go to the discussions page. type in Mobile Drilling Rig in the Search box. there is a post by "Rags" titled "how do you unload this beast?" the answer is in there.

I expect this will be patched out at some stage. Missed a episode? Check the playlist here: o The Crust ? Early Access ??? Saving Hope Mine resources and automate their production ...

The Mobile Drilling Rig needs to have an Idle indicator similar to the Cargo Trucks and Rovers, indicating when it has depleted its current mining location

The Mobile Drilling Rig is a large vehicle that mines the moon's surface for regolith. The upgrades unlocked with this research are automatically applied to all MDRs, current and future. The ...

In the future, it will produce new resource types. Mobile Drilling Rig: drill management has been changed, now you can set a radius for the drill's working area. Unlockable through ...
