

Track mounted drilling rig

What is a track mounted drill rig?

Geotech operates a fleet of track mounted drill rigs throughout our operations. Outfitted with a track system, these rigs are perfect for difficult access locations, where access conditions are difficult. Our track rigs have been designed to service many industry sectors including; construction, mining, oilfield, dams, and pipeline investigation.

Why should you invest in Geoprobe® track drill rigs?

Engineered with versatility and ease in mind, investing in Geoprobe® track drill rigs provides efficient success off the beaten path by nimbly maneuvering you to remote sites while diversifying drilling and sampling options all with a single track mounted drill rig. Don't see a feature you're looking for on your track drill rigs? Give us a call

What is a track rig?

Our track rigs have been designed to service many industry sectors including; construction, mining, oilfield, dams, and pipeline investigation. The track rigs are also multidimensional and can complete an array of drilling methodologies, including; rotary air blast, diamond coring, air coring, mud rotary, reverse circulation and bulk sampling.

What is the most powerful drill rig?

Made with quality materials, the KmN 1.4sm is one of the most powerful drills available while still weighing under 25,000lbs. Track-mounted and available with either rubber or metal tracks, the KmN 1.4sm can go anywhere you need. Not only is the KmN 1.4sm a versatile and powerful drill rig, it's also safer for operators.

How can I get a quote for an Acker drill rig?

To request a quotation for an Acker drill rig, contact an Acker representative at 800-752-2537 or e-mail at sales@ackerdrill.com. In stock and ready for delivery is a 2018 Acker REBEL Track-Mounted Drill Rig.

Is the KNM 1.4 SM a good drill rig?

Not only is the KmN 1.4sm a versatile and powerful drill rig, it's also safer for operators. VersaDrill's rigs are equipped with a control panel that allows operators to easily adjust the speed of the rotary head and remain at a distance from equipment in operation.

Twin hydraulic fuel cylinders mounted in line with the drill spindle gives precise control of force on the drilling tools. For exceptional drilling efficiency, the feed system has two separate controls ...

DA Smith's CME-55 drilling fleet includes versatile, self-contained vertical and angle-capable geotechnical rigs capable of both auger and core drilling. All ...

Track mounted drilling rig

Outfitted with a track system, these rigs are perfect for difficult access locations, where access conditions are difficult. Our track rigs have been designed to ...

Search for used track mounted drill rigs. Find Bay Shore, Atlas-Copco, Boart Longyear, Watson, Ingersoll Rand, IMT, LoDril, and Delmag for sale on Machinio.

This powerful track mounted limited access machine was designed specifically to be durable and powerful. It is equipped with robust GH63 series hammer, 2 ...

Stroke: 36 inch (91.4 cm) 850X Features | 850X Specifications | 850X Optional Equipment Performance ratings are based on engineering specifications, calculations and accepted ...

Ranging in size from small, limited access drilling rigs to large platform/big performance sonic drilling rigs, our drill rigs cover a range of applications.

The harsh Australian environment is no match for our track mounted drill rigs. We have multiple, top-of-the-line, track mounted drill rigs and track mounted ...

We carry an extensive line up of track-mounted and truck-mounted rental drill rigs as well as crawler carriers and support equipment. Our rental drill rigs are ...

The GEO Line includes compact sized hydraulic drilling rigs Australia mounted on rubber or steel crawler tracks and covering the full spectrum of geotechnical activities, such as soil ...

Rig Specs: 2 to 5 - Track-Mounted LF90Ds The set-up of these rigs has a very small footprint - their static footprint is just 2.5m x 3.5m (compared to 3m x ...

Twin hydraulic fuel cylinders mounted in line with the drill spindle give you precise control of force on the drilling tools. For exceptional drilling efficiency, the feed ...

We Sell & Rent a variety of cme drill rigs to meet your needs! Central Mine Equipment Company (CME) offers competitive geotechnical and ...

CME - Auger drill rigs and drilling equipment for the geotechnical, environmental, mineral exploration, and construction industries.

Atlantic Caisson offers a variety of specialized equipment for various drilling needs in straight shaft, belled shaft and slurry procedures; including Self ...

7 geotechnical/ multipurpose drill rigs Star Drilling currently operate a modern fleet of 7 geotechnical/ multipurpose drill rigs, all capable of drilling diamond core and mud drilling ...

Track mounted drilling rig

Geotechnical drill for augering, mud rotary, SPT, Shelby tubes, and rock coring. Geotechnical drilling rigs for sale also easily push CPT or direct push tools.

The CME-55LC/300 rubber track drill has a unique feed and retract system and a quick disconnect mast that allow you to work under service station canopies, bridges or other ...

Download XC DTS710 Tight Access Track Mounted Available from Brisbane Download Comacchio GEO 205 Track Mounted Available from Sydney Download High Performance ...

Track Mounted Drilling Rigs Our track mounted drill rigs are strong, powerful machines capable of drilling large diameter shafts/caissons. The torque and crowd available on these rigs provide ...

Drill rigs and mineral exploration drilling equipment for CME rubber tire ATV, truck, track carrier, trailer and skid mounted geotechnical drilling rigs.

Stroke: 36 inch (91.4 cm) 850X Features | 850X Specifications | 850X Optional Equipment Performance ratings are based on engineering specifications, ...

Geoprobe® 54LT Track Mounted Limited Access Direct Push Rig: The Geoprobe® Model 54LT direct push limited access drill rig is a rugged, compact probing unit designed for tight spaces ...

China Track Mounted Drill Rig catalog of 300m Track Mounted Borehole Drilling Machine, Wholesale 300m/400m/600m Hydraulic Crawler Small Drill Deep Water Well Drilling Rig with ...

CME manufactures drill rigs and drilling equipment for the geotechnical, environmental, mineral exploration and construction industries nationwide.

DA Smith's CME-55 drilling fleet includes versatile, self-contained vertical and angle-capable geotechnical rigs capable of both auger and core drilling. All rigs are rubber-tracked and can ...

R-57 Eijkelkamp MRS XL MAX DUO, Track Sonic Rig This rig has the capability to drill to depths greater than 60 meters. The R-57 is mounted on a Fraste rubber-tracked carrier, which ...
