

Truck mounted core drill

Geoprobe®; 7800 Truck Mounted Direct Push and Auger Rig: Geoprobe®; 7800 truck mounted drill rig is one of Geoprobe's most powerful and versatile rigs and allows for quick mobilization ...

The T-1000 Coring System offers the most flexible means of sampling concrete and asphalt pavements available. This self-powered Core Rig trailer features a Milwaukee two-speed ...

Truck mounted hydraulic geotechnical core drilling rig well drilling water drilling machine This type of automobile-mounted water well drilling rig is equipped ...

MD-300 Heavy Duty Coring Truck Utilicor Technologies MD-300 Heavy Duty Multi Directional Coring Unit is equipped with the Travesacor(TM) core-zone extension ...

You can use your existing Core Drill with the Hitch Mount by removing the base plate and drilling 2-holes through your mast to fit over the bolts on the Sliding ...

This complete stand-alone core drill rig offers field independence, versatility, dependability, and easy single-person operation. Provides mobile yet very ...

Truck mounted hydraulic geotechnical core drilling rig well drilling water drilling machine This type of automobile-mounted water well drilling rig is equipped with a water-air dual-purpose swivel ...

A core drill rig is a specialized piece of equipment for core sampling. They allow professional drillers to extract a piece of the ground by drilling cylindrical holes ...

High productivity at great depths The Christensen CT20 is safe, ergonomic and environmentally friendly. The rig is a perfect choice for surface core drilling anywhere in the world. Available ...

The Model 2100 is a medium size truck mounted drill unit that is fast, easy to operate and highly productive. This drill model is designed for mounting on an ...

3000m truck mounted Diamond Core Drilling Rig is compact with moderate dimensions and high technical specification. The rig can be either crawler or ...

The Comacchio CX line of exploration drilling rigs includes four truck-mounted rigs that range from lightweight compact units installable on small 4x4 trucks, ...

The 600m full hydraulic truck-mounted core drilling rig brings mobility and strength to water well and soil

Truck mounted core drill

sampling operations. Its all-hydraulic system, diamond-compatible barrel, ...

West Core Drilling Equipment UDR1200HC Truck-Mounted Rig Rig 7 Specs: UDR1200HC Multi-purpose & Deep Diamond Drilling Capacity Rig 7 is a deep-hole UDR1200HC mounted on a ...

Prime Rigs Limited - Exporter of Water Well Drilling Rigs, Truck Mounted Rig & Tractor Mounted Drilling Rig from Hyderabad, Telangana, India

CME track drills 45C/300, 55/300, 55LC/300, 55LCX/300, 850X, 850XR are efficient auger, core, rotary rigs for geotechnical, environmental, mineral exploration.

Supporting equipment CME drills are surrounded by the equipment necessary for a productive and efficient operation. Drill platforms include numerous tool ...

This hitch-mounted system provides a mobile system, which provides fast set-up and drilling while ensuring consistent quality. Setup minimizes time required to ...

No CDL required The CME-45C is commonly mounted on 4x2 and 4x4 trucks rated at or under 26,000 pound GVWR. Hydraulic feed and retract system ...

Explore hitch-mounted core drills for precision and portability. Shop now for powerful, gasoline-driven drills ideal for construction and utility applications.

The rig features a robust 2 speed top drive rotation head delivering 1250rpm and 6,713Nm of torque, deck engine options up to 400HP, a 40,000l capacity main winch and can be delivered ...

Our truck mounted drills combine superior drilling capability, versatility, and a cost effective drill for your next project. With their tier 4 EPA compliance and rubber ...

Core Drilling offers multiple C-411 drilling platforms in the fleet. This drilling unit was designed for remote or difficult access locations. It is mounted on a low ...

500m Truck Mounted Diamond Core Drilling Rig is compact with moderate dimensions and high technical specification. The rig can be either crawler or ...

A 400-type water well drilling rig integrated into a 4x2 medium-sized truck. The reinforced main frame is directly installed on the two longitudinal beams of the ...

The EDM67K-D is a high-capacity surface core drill with a proven track record in drilling deep diamond holes to 3,000m N+ in challenging conditions. With 67,000lbs of pullback capacity, a ...

Truck mounted core drill

Truck-mounted drilling rigs | Choosing the right drilling rig You could need a drilling rig for a multitude of applications, for example to drill a well to access a ...

The STR-174TK can drill to 1000 feet and offers several drilling speed and torque options thanks to its 4-speed gearbox drill motor. Perfect for SPT soil sampling ...

The EDM47K-D Drill is a mid-size surface core drill with 47,000lbs of pull back capacity and capable of drilling to more than 2000m in tough environments. The rig features a robust 2 ...
