

Truck mounted drilling rig for sale uk

What is a truck-mounted drilling rig?

A truck-mounted drilling rig is a mobile system that drills wells and large holes for various projects across Australia. Our truck-mounted drilling rigs can test rock, sample subsurface mineral deposits, test soil and groundwater physical properties, and more.

What is a track mounted drill rig?

Geotech operates a fleet of track mounted drill rigs throughout our operations. Outfitted with a track system, these rigs are perfect for difficult access locations, where access conditions are difficult. Our track rigs have been designed to service many industry sectors including; construction, mining, oilfield, dams, and pipeline investigation.

Are your drill rigs available to purchase internationally?

All our drill rigs, machinery and equipment is available to purchase internationally from our UK yard. Our foundation drill rig inventory is regularly updated, however if you're after something specific or can't find what you're looking for, please get in touch with our sales team.

What is a Multipurpose drilling rig?

Occupying a small footprint, this compact yet powerful multipurpose drilling rig allows the user to carry out a wide range of drilling techniques to medium depths in areas of difficult terrain and limited space.

What is a water well Rig?

A tough, extremely powerful water well drilling rig for deep borehole drilling in remote areas of rough terrain and harsh working conditions. A high performance heavy-duty water well rig designed for borehole drilling to great depths while mounted on a 6 x 6 truck. A strong, powerful water well drilling rig for medium depth boreholes.

Can I hire a drilling rig?

Drilling Rigs can be hired on short or long term agreements. All our hire machines are serviced and checked before leaving the workshop to ensure the drilling machine is in a fully working condition. We also offer a delivery and collection service on request please contact us for further information.
