

Twilight drilling rig 2

What is Twilight drilling?

Our primary objective at Twilight Drilling Ltd. is to ensure that all drilling programs are conducted in a safe and efficient manner, thereby minimizing the exposure of all people, equipment, and the environment to potential hazards and thus preventing incidents.

How do I apply for a job at twilight drilling?

If this sounds like the right opportunity for you, send the above documents to hr@twilightdrilling.com We thank all candidates for their interest. All applications will be reviewed to determine best fit for the needs of the position. Only individuals selected for interviews will be contacted.

Why should you choose Twilight drilling?

Twilight Drilling believes that size matters, but bigger does not mean better. Being a smaller drilling contractor, we can provide attentive, personal engagement with our customers; both new and existing. Being smaller means being more nimble and able to react to the ever-changing requirements of our clients. We are a team and it shows!
