To ensure the highest quality of all undertaken activities and high efficiency of investment projects EXALO operates in accordance with the ISO standards and the prevention of occupational risks OHSAS 18001.

Which coring rigs are available for rent?

At Rig Source, we have a variety of coring rigs for rent from top-of-the-line brands including Geoprobe, Versatran, and GTech. These rigs are primarily used for mineral extraction, and our exploration drilling rigs help discover valuable resources below the Earth's surface.

Dth Drilling Machine HQD70 3kw 0.5~0.7mpa Small DTH Hammer Drilling Rig The Hongwuhuan HQD70 electric down-the-hole drill rig is a new type of efficient rock drilling equipment ...

Drilling company Goryzonty, continues the traditions of development, conducts drilling of oil and gas wells, major repairs and provides a full range of related services and works.

## Ukrainian fully hydraulic down-the-hole drilling rig rental

Our fleet includes 45 drilling rigs and workover rigs of varying rating, hook load capacity and depth range. This allows us to execute even the most complex projects.

Crawler hydraulic down the hole drilling rig Mechanical top drive drilling rig Exploration drilling rig Pneumatic water well drilling rig Dual power head rock core drilling rig Air-lift reverse ...

Built for mobility and precise down-the-hole drilling in small to mid-scale construction sites, JC710 offers a balanced combination of compact design, efficient power transmission, and stable ...

EP550 Portable Fully Hydraulic Drilling Rig With Light Weight is one of the Sinocoredrill's very mature product. With its features of transported easily in hard-to-access areas, quick ...

DTH rig machine, down-the-hole drilling rig, is a powerhouse drilling tool designed for deep, accurate, and efficient boring in demanding environments. Ideal for mining exploration, quarry ...

KBJZ drill rigs, drilling equipment - drilling rig parts shank adapter custom order,rod drilling machine of xy-6b drilling rig Important,drifter drill rig Affordable,114mm drill pipes Best China ...

Ranger(TM) DX800 is a hydraulic, diesel-powered, self-propelled top hammer drill rig with an ergonomic cabin and rod handling system. Typical applications are ...

The core hydraulic components are imported from Europe. The reliable hydraulic system greatly reduces the workload of system maintenance and is ...

With its own engineering designs, a multinational team of experienced specialists, and production facilities based in Ukraine, Discovery Drilling Equipment LTD manufactures a wide range of ...

D Miningwell T635 fully hydraulic down hole drilling rig is designed for open pit mining, rock drilling and engineering exploration. Its core strengths are efficient rock drilling, flexibility in adapting ...

The piston directly impacts the drill bit and continues to advance as the drilling extends. So the DTH drilling machine got its name from the bottom of the ...

Hardrock Hydraulic Drilling Rig is fully hydraulic control drilling machine. It can be used as Well Drilling Rig and Blast Hole Drills. There is independent control panel for operator with great ...

Leopard(TM) DI560 is a highly mobile, compact, diesel-powered down-the-hole (DTH) drill designed for DTH blasthole drilling in mining, quarry and ...

Different Models of Down the Hole Drilling Rigs: YGD-70/100 DTH Drilling Rig YGD70/100 DTH drilling

## Ukrainian fully hydraulic down-the-hole drilling rig rental

rig is a kind of compound power model, powered by a ...

Drillers seeking a portable drill rig easily maneuvered through narrow doorways and into basements choose the 420M. Weighing less than 425 lbs and only 23 ...

The DTH drilling rig (down-the-hole) is a highly efficient rock drilling equipment used in open-pit mines, stonework projects, road construction, and other scenarios. It is also called a shallow ...

The HD-20B portable drilling rig is fully hydraulic driven and modular designed. Using quick coupling achieves rapid assembling and disassembling of ...

Through the utilization of our PDMs, Jars and Shock-Absorbers we can assist our customers in the reduction of drilling cycles by up to 20%. This allows our customers to add value and ...

Hydraulic drilling rigs are used for drilling wells, such as oil or water wells, or holes for piling and other construction purposes, into the earth's subsurface. Full hydraulic drilling rig ...

At Rig Source, we have a variety of coring rigs for rent from top-of-the-line brands including Geoprobe, Versatran, and GTech. These rigs are primarily used for ...

Full hydraulic down-the-hole (DTH) drilling rig is a drilling rig for sale that uses oil pressure to drive and control all moving parts in the process of adjusting the ...

CSD200A a state-of-the-art, fully hydraulic water well drilling rig designed to deliver exceptional performance across various geological ...

A core drill rig is a specialized piece of equipment for core sampling. They allow professional drillers to extract a piece of the ground by drilling cylindrical holes ...

This integrated down the hole drill rig combines air compressor and drilling functions, perfect for DTH boring machine operations in mining.

In our company, the best option for renting equipment for road infrastructure works will be the GAYK HRE 3000 piling rig. We will be glad to provide you with piling equipment for rent for the ...

Full hydraulic driven and modular designed, the HD-20D drilling rig has the features of simple structure, fast connection and disconnection, convenient ...

Equipment for rent: foundation drilling machines, jet grout machines, mast attachments, monitoring equipment, drilling accessories. Widest range of ...

## Ukrainian fully hydraulic down-the-hole drilling rig rental

1. Using its single power to drive the screw air compressor and drilling rig hydraulic system at the same time, compared with the separated DTH drilling rig, the comprehensive fuel consumption ...

Hardrock Hydraulic Drilling Rig is fully hydraulic control drilling machine. It can be used as Well Drilling Rig and Blast Hole Drills. There is independent control ...
