

Used borewell rig for sale

Where can I find used drilling rigs?

You've reached the new home of DM series rigs engineered specifically for water well and geothermal contractors. Welcome to the "Used Drill Rigs" section of the Geoprobe website. This is a free service we offer for listing used drilling rigs for sale and other drilling equipment.

Does rig source sell used drilling equipment?

Rig Source works with customers to sell their used equipment at competitive prices, with the goal of it remaining effective, reliable, and durable for many years to come. With the purchase of used drilling equipment, you can receive equipment that is durable, reliable, and ready to be used for many years.

Why should you buy a used drill rig?

Our used drill rigs for sale are not only cost-effective but also ensure that your drilling projects are completed with reliable and durable tools. This used equipment offers attractive bargains, ensuring buyers see a return on their investment quickly. Additionally, the efficiency of used machinery is unmatched in the drilling equipment industry.

Is it worth buying a drill rig?

Owning a drill rig can be a significant investment, but we make it worth it at Rig Source. Used drilling equipment can often be just as reliable as brand new rigs and can be great candidates for a rebuild, depending on their condition. Auger drilling rigs are essential tools in various industries.

How much does it cost to sell a used drilling rig?

No fees. No listing charges. By posting a used drilling rigs for sale summary and photos online, more Geoprobe customers can access the information quickly. We can also provide suggested trade-in values for your drill rigs to help in the process. Listings will remain active for 180 days.
