How much does a 2016 Vermeer d20x22 directional drill cost?

2016 Vermeer D20x22 Directional Drill for sale. Asking price: \$119,900. This machine is in excellent condition, not abused, and has been serviced top to bottom. It comes with tooling to drill and an additional rod box and basket of new and used rods available at additional cost. The drill is ready to use.

Who manufactures Vermeer directional drills?

Vermeer is a 71-year-old Iowa firm that manufactures a popular line of directional drills for utility work. Vermeer also fabricates stand-on, remote control and ride-on trenchers, as well as four mini-skid steers. This information is about Vermeer, not a Swedish company.

What is Vermeer utility installation equipment?

Vermeer utility installation equipment provides versatility across multiple industries. Vermeer trenchers can be equipped with a variety of attachments and can be used to prepare the ground for the installation of underground utility lines, water pipes, electric cables, and telecommunication lines.

Who makes Vermeer stump grinders?

Vermeer has manufactured equipment for the removal and disposal of trees for the landscaping and forestry industries since developing the modern stump grinder in 1957. Vermeer stump grinders and cutters are designed with the Vermeer cutting system and SmartSweep control system to maximize productivity.
