

Xy200 water well drilling rig

Our drilling rigs are more efficient, have lower failure rates, are more economical and durable, and have comprehensive cost-effectiveness. 1.well-drilling rig uses full hydraulic control, and the ...

PRODUCT DETAIL xy-200 is a deepwater well drilling rig with a drilling depth of 200 meters. It can be equipped with a 22-horsepower diesel engine or a 15KW electric motor. Application: 1. ...

Reliable and Efficient Drilling: The XY-200 water well drilling machine is a robust and reliable core drilling rig designed for water well applications, capable of drilling up to 200m in depth with a ...

1. It is a high-speed drilling rig, suitable for geotechnical exploration, water well, soil sample projects. 2. Alloy bit, diamond bit and tricone bit can be selected for drilling according to the ...

High quality Professional Geological Drilling Rig Machine XY-200 Crawler Type 200m Drilling Depth For Rock Drilling from China, China's leading product market dth drilling machine ...

High quality 200 Meter Deep Water Well Drilling Rig XY-200 Easy Operate For Transportation / Bridge from China, China's leading rock core drilling machine product, with strict quality control ...

High quality Crawler Mounted Mobile Water Well Drilling Rig, XY-200 Portable Borehole Drilling Machine from China, China's leading hydraulic crawler drilling machine product, with strict ...

XY-200 Water Well Drilling Rig Shandong Hongrun Group (China) Co., Ltd. will give you a detailed introduction to the content of XY-200 Water Well Drilling Rig, including the purpose, ...

XY - 200 water well drilling rig is mainly suitable for solid deposit of diamond and carbide exploration drilling, also can be used in the engineering geology and underwater exploration, ...

We manufacture and supply XY-200 Water well drill at a factory competitive price with features: XY-200 Water well drill :, 1,Max depth 200M, 2,Max open hole diameter:300mm, 3,High ...

High quality XY-200 200m Engineering Drilling Rig 220V / 380V For Water Well Core Drilling from China, China's leading hydraulic crawler drilling rig product, with strict quality control hydraulic ...

The XY-200 Portable Hydraulic Core Borehole Water Well Sampling Drilling Rig Machine is a versatile rotary drilling solution designed for rugged terrain and precise subsurface exploration.

XY-200 Multifunction Water Well Drilling Rig: 1, This drill for the high-speed drilling machine is suitable for

Xy200 water well drilling rig

the exploration, water well drilling, road and ...

High quality XY-200 Hydraulic Crawler Mounted Drill Rig For Stone Bore Hole CE Certification from China, China's leading product market hydraulic crawler ...

High quality XY200 Series Hydraulic Crawler Drilling Machine For Engineering Investigation from China, China's leading exploration drill rigs product, with strict quality control hydraulic ...

PRODUCT DETAIL xy-200 is a deepwater well drilling rig with a drilling depth of 200 meters. It can be equipped with a 22-horsepower diesel engine or a 15KW electric motor.

Product Description XY-200 Water Well Drill Rig Equipment The xy-200 drill rig can increase the displacement slide of the drill on the basis of the ordinary drill& comma; which can realize the ...

High quality Crawler Mounted Mobile Water Well Drilling Rig, XY-200 Portable Borehole Drilling Machine from China, China's leading product market hydraulic crawler drilling machine ...

XY-200-1 Drilling rig is light shallow hole drill with hydraulic feed.Applicable to the exploration, geophysical exploration, road and building exploration and small water well drilling, etc.

It is equipped with an automatic oil pressure feeding mechanism to improve the drilling efficiency and reduce the labor intensity of workers. 2. The drilling rig is equipped with a ball clamping ...

XY-200 Drilling rig is light shallow hole drill with hydraulic feed.Applicable to the exploration, geophysical exploration, road and building exploration and small ...

XY-200 Well Drill Rig Machine for Soil and Rock Drilling Product Information of XY-200 Drilling Rig XY-200 drilling rig is a new-type, portable engineering drilling machine for ...

High quality XY-200 200m Engineering Drilling Rig 220V / 380V For Water Well Core Drilling from China, China's leading product market hydraulic crawler ...

This water well drilling rig is one lightweight, efficient, multi-purpose drilling equipment, which can use air, foam, or mud rotary for percussive drilling according to different textures.

Company Introduction:Guangzhou Huanyu Drilling Machinery Co., Ltd., founded in March, 1993, is a share-holding enterprise, with main products including: ...

XY-200 Water Well Drilling Rig is the first in the similar type products to use the hydraulic chuck. The machine can enable rechuck without stopping the machine, which is propitious to the ...

Xy200 water well drilling rig

High quality 200 Meter Deep Water Well Drilling Rig XY-200 Easy Operate For Transportation / Bridge from China, China"s leading rock core drilling machine ...
