

Yichang DTH Drilling Rig Recycling Hotline

What is a DTH drill rig?

DTH Drill, also called shallow surface drill rigs and rock drills, combine performance and economy, making them ideal for quarries or construction sites. Yugong rigs offer excellent drilling capabilities and keep fuel consumption and operating costs to a minimum.

What is YGQ-100 DTH drilling rig?

The YGQ-100 DTH drilling rig is a method that uses compressed air as the power to convert compressed air into mechanical force to break rocks. The power part is an air motor. YGQ-100 can be used in the absence of electricity, which is safe and reliable.

Are Yugong rigs good for drilling?

Yugong rigs offer excellent drilling capabilities and keep fuel consumption and operating costs to a minimum. Yugong's new generation of down the hole drilling rigs can stand up to any task, including production drilling, quarry/mine development and wall control.

Discover high-performance borehole drilling machines built for mining, water wells, and industrial use. Achieve up to 35% lower operating costs with EE/ISO-certified rigs. Request a quote now!

Buy high quality Dth Hammer For Drill Rig by Yichang Wuhuan Rock Drilling Tools Co., Ltd. Supplier from China. Product Id 303448.

Drilling Rigs - Waterwell Our range of Hotline(TM) waterwell equipment is designed for simplicity, and covers every size, style and carrier. This allows us to tailor ...

The full range rock drilling tools include hydraulic drilling tools, DTH drilling tools, tapered equipment and drilling tools for under-ground long-hole drill rigs; the hydraulic drilling tools ...

ABSTRACT Since their first production application in Sweden in 1995, water-powered, down-the-hole hammers (WDTH) have been used throughout the world in many different drilling ...

A down-the-hole drill, usually called DTH Drilling Rig, is basically a mini jackhammer screwed on the bottom of a drill string. The speedy hammer ...

Our company produces advanced drilling tools with the top-grade manufacturing equipments. The mission is based on continuous innovation and unique competence in drilling technology.

DTH rig machine, down-the-hole drilling rig, is a powerhouse drilling tool designed for deep, accurate, and

Yichang DTH Drilling Rig Recycling Hotline

efficient boring in demanding environments. Ideal for mining exploration, quarry ...

Maximize productivity with our durable mining drilling rigs engineered for surface & underground operations. Discover DTH, rotary & blast hole drills built for tough conditions. Get a quote today.

The thickened profile folder is used for the housing, thus improving its level of intensity and rigidity; The additional ring makes handling and lifting convenient; The KG590H surface DTH ...

Yichang Wooke Trading Co., Ltd We are Yichang Wooke Trading Co., Ltd. specializing in manufacturing and supplying drilling rigs parts, Adapters, DTH button bit, hammer, rock drill, ...

Established in 1992, Quzhou Sanrock Heavy Industry Machinery Co., Ltd. is a manufacturer specialized in the research, development and production of DTH drilling rig, Water well drilling ...

The rock drilling equipment for submerged rock drilling is a submerged drilling rig, which is an impact rotary drilling rig with an internal structure different from that of a general ...

About Us :

 Yichang Wooke Trading Co.,Ltd Yichang Wooke Trading Co.,Ltd. We are specializing in manufacturing and supplying drilling rigs parts, Adapters, DTH button bit, drilling ...

Available in both standard and customized specifications, these Rigs and Equipment meet the application requirements of water wells, mineral exploration, core drilling, reverse ...

Yichang Wuhuan Rock Drilling Tools Co., Ltd, is a professional company which is specialized in making and researching on drilling equipment, our dominant products are DTH tools with high, ...

DTH Drill, also called shallow surface drill rigs and rock drills, combine performance and economy, making them ideal for quarries or construction sites. Yugong rigs offer excellent ...

Yichang Machinery is a Taiwanese company specializing in manufacturing high-quality Hongda brand drilling and tapping machines. With more than 30 years ...

Drilling Rigs - Exploration + Grade Control We supply the market-leading Hotline(TM) Reverse Circulation rigs. These drilling rigs are commonly used for exploration applications using RC ...

Established in 1992, Quzhou Sanrock Heavy Industry Machinery Co., Ltd. is a manufacturer specialized in the research, development and production of DTH ...

Company Description We are Yichang Wooke Trading Co.,Ltd. We are specializing in manufacturing and supplying drilling rigs parts, Adapters, DTH button bit, drilling bit, dth ...

Yichang DTH Drilling Rig Recycling Hotline

DTH Drilling Rig Yugong DTH drilling rig can drill vertical, inclined and horizontal holes, and is mainly used for drilling blasting holes and presplitting holes in open-pit mines and stonework ...

With the continuous development of modern engineering construction, DTH drilling rigs, as efficient drilling equipment, are widely used ...

The down-the-hole drilling machine is suitable for large-diameter blast hole rock drilling operations in small and medium-sized mines, road construction, water ...

TDD is offer various DTH drilling machine and drilling tools, used among water wells drilling, mineral mining, geothermal sources drilling, physical exploration, ...

The drill rig comes outfitted with a Yuchai engine which delivers excellent performance and meets national standards for emissions and environmental impact. The tramming motor features a ...
