

Zega drill rigs

The ZEGA D440A is a state-of-the-art drilling rig that is designed specifically for civil engineering projects. It is equipped with advanced technology that allows ...

ZEGA T640J Integrated Top hammer Surface Drill Rig ZEGAT640J series drilling rigs are used in quarries, open pit mining, hydro power construction, road construction and other rock ...

Headquartered in Quzhou City, Zhejiang Province, the company provides a wide range of services, including high-performance drilling rigs, underground drill jumbos, premium air ...

Tunneling Multi boom Rock Drill ZEGA UJ22 is a full-hydraulic drilling rig for the construction of medium and large tunnels such as roads and railways. The drill ...

ZEGA T640 Automatic Top Hammer Surface Drill Rig: This series of heavy-duty automatic top hammer surface blast hole drill rigs developed with diesel ...

"ZEGA" Brand Stories With globalization, Zhigao products began to be sold to overseas market. For better serving domestic high end & overseas clients, ZEGA Machinery (Shanghai) Int'l ...

Engineered with cutting-edge innovation, the ZEGA Drill Rig offers unparalleled performance for a wide range of drilling applications. Its robust design ensures durability and reliability, while ...

High-strength aluminum alloy feed beam 2 Standard configured 5 - meter drill pipe with high-strength aluminum alloy feed beam and stainless steel protective cover, light weight, durable ...

DRILLING COVERAGE AREA ROD HANDLING SYSTEM Rod carousel with rotating hydraulic cylinder, manipulator, drill rod thread lubricator, and rod chuck constitute a simple and efficient ...

The ZEGA-D450A integrated drilling rig is equipped with a 4-meter long drill pipe as standard, reducing the time for replacing the drill bit and improving the comprehensive perforation ...

ZEGA D480A Integrated DTH Surface Drill Rig for rock drilling Product Description ... Company Information Shenyang ABT Drilling Equipment Co., ...

Discover our exceptional after-sales service for ZEGA Drill Rigs, including expert maintenance, genuine parts, and comprehensive warranty coverage for your ...

ZEGA, the international brand representing the vision and technological strength of ZHIGAO, was established

Zega drill rigs

in 2015 to bring high-quality products to the global market. Headquartered in ...

ZEGA D345A is a cost effective, environment friendly, safe, and efficient separated DTH drilling rig independently developed by Zhigao under the framework of the national policy to promote ...

The ZEGA D480A down hole hammer blast hole drill is ideally suited for larger diameter and deeper blast holes when required, bit diameter 178 to 230mm.

The ZEGA D440 integrated drilling rig is perfect in terms of application flexibility and reliability, with higher production capacity, stronger adaptability, and better drilling quality.

The ZEGA D335 split down hole drilling rig is an innovative upgrade based on mature models, with core components selected from internationally renowned brands, stable performance, and ...

PRODUCT NAME: T635 Automatic Integrated Top Hammer Drill Rig INFORMATION SPECIFICATION
VIDEO UP: ZEGA D535T Integrate NEXT: ZEGA T630 Automatic

ZEGA D535TA down-the-hole ZEGA D535TA integrated the basis is an upgrade on core of well-proven models, and from internationally hydraulic components are brands. With the single ...

ZEGA INDONESIA is a leading professional company in the field of mining and construction equipment manufacturing. We provide a wide range of drill rigs, air compressors, construction ...

ZHIGAO is one of the most professional photovoltaic drill rigs manufacturers and suppliers in China. Please feel free to buy customized photovoltaic drill rigs at low price from our factory. ...

Due to its excellent maneuverability and strong working ability, D440A drilling rig is widely adapted to various drilling applications, ZEGA D440A????? such as production blast holes in ...

Used for blasting and drilling of soft and medium hard rocks in open-pit mining quarries and various bench excavations to meet productivity requirements. On the basis of ...

Top Hammer T640H surface drill rig: drills 76-115mm holes up to 20m deep, with a Cummins engine, folding boom, and 10m³/min compressor. Comes with a ...

Separated Drill Rigs ZEGA D355C drill rig is a new type of high-efficiency and widely applicable rock drilling equipment that has been independently ...

Zhejiang Zhigao Machinery Co., Ltd. is a leading professional company in the field of mining and construction equipment manufacturing. We provide a wide range of drill rigs, air compressors, ...

Zega drill rigs

Down-the-hole D470D drill rig: drills 138-165mm holes up to 30m deep, with a Cummins engine, heavy-duty boom, and 21m³/min compressor. 2000-hour/1 ...

ZEGA UJ21D Jumbo Drill Rig ZEGA UJ21D drilling rig is widely used in underground mine development, small-sized tunnel excavation, and also for reinforcement applications such as ...

The ZEGA D535T integrated down-hole drilling rig is suitable for blasting and drilling various medium hard rocks in open-pit quarries, small ...
